

Significance of Candle Lighting Service

Candles will glow Sunday, December 11th, when tens of thousands of bereaved parents, siblings, grandparents, relatives and friends around the globe will join together to light remembrance candles to honor the memories of children who have died, but will not be forgotten. This event unites family and friends around the globe in lighting candles for one hour to remember and honor children who have died at any age from any cause. As candles are lit at 7pm local time, hundreds of thousands of persons commemorate and honor the memory of all children gone to soon. Now believed to be the largest mass candle lighting on the globe, the Worldwide Candle Lighting creates a virtual 24 hour wave of light as it moves from time zone to time zone.

All are invited to post a message in the Remembrance Book, which will be available during the event at The Compassionate Friends national website. In 2011 in that short one day span, more than five thousand messages of love were posted from every US state, as well as dozens of other countries, with some posts in foreign languages.

The Worldwide Candle Lighting is a way of bringing light out of darkness during this difficult time of year. Like a ring, this circle of light surrounding the globe represents that there is no beginning and no end for the love we carry for our children.
