
Motivational Speech

by Jasmien Wijngaarde

MPA6 Alumna

Good evening, Members of the Institute, MPA 9 students, Ladies and gentlemen,

I am very pleased to be speaking to you today on behalf of the MPA Alumni. I hope that you feel as excited as I am to be part of this great moment. I'd like to draw your attention for a few minutes to share with you how important this day is to all of us.

I was asked by FHR to do a motivational speech and asked myself why, because I didn't graduate with a distinction, I had an overall score of 7.6; and saw my name only once on the grades cup (that's a cup where you get your name printed on, every time you score the highest grade for an exam). It is something to look forward to. To be honest, I only scored a high grade that time because the class really liked the professor. I could be restless in class, asked all kinds of questions and I liked to have fun.

Then I thought about the fact that I never had to do a resit for an exam, I was always driven and tried to study very hard (despite the fact that I didn't always keep to the "4 hours study a day" rule of Mr. LiMaPo). In my mind I went back to my graduation day, March 29th 2014, an exciting day that finally came. That day I fell, and hit my head badly around 3 o'clock in the afternoon. I was rushed to the emergency room with deep cuts and bruises on my forehead. We had to be at the institute at 5 O'clock for our graduation pictures (I'm not in any of them...)

I called Charissa, our program manager, and told her that I would still attend the ceremony in time to do the graduation speech. Yeah, I was the one who was scheduled to do the graduation speech and it **had to** be me in the emergency room. I left the emergency room at 6, hurried over to my house, applied make-up on only half of my face and rushed to FHR with 4 bandages on my head to do my speech.

If that's not motivation, I don't know what is.

I was determined to do the speech on behalf of my fellow students. While lying in the emergency room I thought about all I had worked for, all my efforts, the

The Road to Victory Natalie J. Damschroder, 2023-07-14 After defeating a terrible enemy and suffering an equally terrible loss Mayne Sobol is adrift He needs to normalize his daughter s life but the one job he s done his entire career is too dangerous to continue Bailey Fleming loves her job at Victory too much Her plans for her own business are ready to launch and she s been procrastinating since finding the kind of work family she wants to build It s time to break free but she lets herself be talked into one last assignment Bailey and Mayne start with competing interests but in the course of foiling a complicated plot against their clients intrigue and attraction draw them together Neither is in a position to start something personal when their careers are in such flux but if they don t explore the chemistry between them they may regret it for the rest of their lives Note The Road to Victory is a standalone story between the Seismic Series and the Victory Series It does contain spoilers for Aftershocks and Resonance but you don t need to have read those books to enjoy this novella and The Road to Victory isn t necessary to enjoy the upcoming Victory Series

A Speaker's Guidebook Dan O'Hair, Rob Stewart, Hannah Rubenstein, 2011-10-26 A Speaker s Guidebook is the best resource in the classroom on the job and in the community Praised for connecting with students who use and keep it year after year this tabbed comb bound text covers all the topics typically taught in the introductory course and is the easiest to use public

speaking text available In every edition hundreds of instructors have helped us focus on the fundamental challenges of the public speaking classroom Improving on this tradition the fifth edition does even more to address these challenges with stronger coverage of overcoming speech anxiety organizing and outlining and more And as the realities of public speaking change so does A Speaker s Guidebook the new edition also focuses on presentational speaking in a digital world from finding credible sources online to delivering presentations in a variety of mediated formats Read the preface **SHORT STORIES AND QUESTIONS FOR ALL TEENAGERS AND YOUNG ADULTS TO READ AND ENJOY** Geoff

Daniel,2012-07-07 My main aim here is in fact to encourage teenagers and young adults to Read Write and Learn a wide variety of things which hopefully will help them a lot further along in life The fifteen 15 Short Stories are completely different but all have a strong positive Hidden meaning in order to help those struggling a little in life for whatever reason But however it is also to give any student reader no matter what their background is various concepts to really think about and improve on if they are lacking in one area or another This book shows that an average person if they are willing to adopt the Three main phrases contained within this particular Shield being 1 Fully Focussed 2 Positive Thinking and 3 Room For Improvement That anything can become quite possible to achieve None of us are perfect but if we are willing to try certain things they can often fall our way and pleasantly surprise us sometimes Most importantly however I hope that all those who read the book get some real enjoyment and satisfaction from it because personally I have thoroughly enjoyed writing this first series of Short Stories **Oceans: A Very Short Introduction** Dorrik Stow,2018-01-25

The importance of the oceans to life on Earth cannot be overstated Liquid water covers more than 70% of our planet s surface and in past geological time has spread over 85% Life on Earth began in the oceans over 3 5 billion years ago and remained there for the great majority of that time Today the seas still provide 99% of habitable living space the largest repository of biomass and holds the greatest number of undiscovered species on the planet Our oceans are vital for the regulation of climate and with global warming and decreasing land area they have become increasingly important as the source of food energy in the form of oil and gas and for their mineral wealth Oceans also form a key part of the biogeochemical cycles of carbon nitrogen and other elements critical to life Nutrients in upwelling areas are spread by ocean currents and the plankton of the seas supports a wealth of wildlife In this Very Short Introduction Dorrik Stow analyses these most important components of our blue planet and considers their relationship with and exploitation by humans He shows how the oceans are an essential resource to our overpopulated world and discusses why exploration and greater scientific understanding of the oceans their chemistry and their mineral wealth are now a high priority Stow also explores what we know of how oceans originate and evolve and change the shape of the seafloor and nature of its cover the physical processes that stir the waters and mix such a rich chemical broth and the inseparable link between oceans and climate As polar ice melts and sea levels rise countless millions who have made their homes on low lying lands close to the sea are threatened As scientific exploration of the seas gathers pace the new

knowledge gained of the ocean Earth systems and their interaction with the human environment is vital to our understanding of how we can preserve these ultimately fragile environments

The Art of Speeches and Presentations Philip Collins, 2012-04-04 Be memorable Whether you like it or loathe it public speaking is something many of us have to do Be it presentations to colleagues or speeches to a room full of near strangers we all want to shine or at least get through it with our dignity intact Luckily Philip Collins former Chief Speech Writer to Tony Blair knows exactly what's needed to give a storming speech The secret according to Philip is content Too many of us focus on how we're presenting and don't spend enough time thinking about what we're presenting The secret to memorable polished speeches is to think more about the material you're sharing to pay attention to detail and choose your words carefully Speech writing is

and art and art we can all learn When the content is right the confidence will follow In *The Art of Speeches and Presentations* Philip Collins provides you with a concise set of tools preparing you for any speaking occasion Ranging from the ancient history of rhetoric to what makes Barack Obama such a good speaker it is packed with practical examples and tips to teach you the craft of speaking well and making people remember what to say Does Phil Collins know what he is talking about Here is the answer he isn't just good he is the best It is as simple as that I spent years writing speeches for major politicians and I now speak publicly myself all the time and yet there is so much that I can pick up from him and anyone who reads this book will too Daniel Finkelstein Executive Editor The Times and former speech writer to William Hague *A Fraught Embrace* Ann Swidler, Susan Cotts Watkins, 2018-12-04 In the wake of the AIDS pandemic legions of organizations and compassionate individuals from faraway places descended on Africa to offer help and save lives Ann Swidler and Susan Cotts Watkins vividly describe the often mismatched expectations and fantasies of altruists who dream of transforming lives of the villagers who desperately seek help and of the brokers on whom both Western altruists and impoverished villagers must rely Based on years of fieldwork in the heavily AIDS affected country of Malawi this incisive irreverent book digs into the sprawling AIDS enterprise and unravels the paradoxes of policy and practice All who want to do good from idealistic volunteers to world weary development professionals depend on brokers as guides fixers and cultural translators The mutual misunderstandings among these players create all the drama of a romance longing exhilaration disappointment heartache and sometimes an enduring connection *A Fraught Embrace* unveils the tangled relations of those involved in the collective struggle to contain an epidemic **Speak Like a President** Simon Maier, 2010-10-15 For some people making presentations of any type can be a trial others relish the opportunity to speak to others but are they really inspiring and engaging their audience with what they say rather than catering to their own ego In this book Simon Maier offers an essential guide to the power of rhetoric and oratory for executives managers consultants sales professionals or anyone in fact who needs to get their message across powerfully and convincingly Covering key issues such as understanding what makes a great speaker how to find your voice how to choose the best speech style and pitfalls to avoid *Speak Like a President* will help you speak with passion confidence and influence whatever your topic or audience *That Years, That Moments* Ninad Gahane, In everyone's life the start of adulthood is very important and this is the year when you prepare for your board exams but this is also the stage where you learn some of the best life lessons you go through some of the best experiences of life such a influence you reflect that you have gained through your teachers elders even friends I to got such experiences such great influences on me This is my book it all about the learning that I learned at that age the people who motivated me kept me inspired me this is all about remembering every good incident that I remember the learning that i gained the aim is to tell one and all the learning that I learned may help someone who are now going through this stage I promised it will keep you inspired and positive I believe in making life a wonderful experience and beautiful to live and making good memories with good people around is the best

thing you can do I got through failures I saw a lot of fall but I never saw tears in my eyes I never broke I just completed that year smiling and being the happiest I am **Toasts and Short Speeches** John Bowden,2000 This handbook offers advice guidelines and suggestions on making speeches for all occasions including christenings anniversaries confirmations engagements weddings and funerals The book gives tips on preparation and delivery **The Short Life and Violent Times of Preston Smith Brooks** Kenneth A. Deitreich,2019-06-10 Although he was a central figure in one of the seminal events of American history the May 1856 Caning of Senator Charles Sumner Preston Brooks remains largely a forgotten figure one in whom even professional historians have shown little interest However while Preston Brooks remains as described by one historian an obscure and enigmatic individual there is no denying his place in history The Caning of Sumner was one of the most notorious incidents of the nineteenth century one that not only inflamed the passions of both North and South but rapidly hastened the process of disunion As a principal actor in that event Preston Brooks warrants a greater degree of historical scrutiny than he has heretofore received To date only a handful of published material exists on Preston Brooks nearly all of which has dealt with the assault upon Charles Sumner while ignoring virtually every other aspect of Brooks life This book addresses this oversight through an in depth examination of Brooks s life beginning with his youth in up country South Carolina and concluding with his premature death at age thirty seven in a Washington DC hotel room Certain to appeal to both professional scholars as well as to general readers of history the book offers a unique perspective on one of history s most compelling yet controversial figures while providing key insights into Brooks s character and the motives that drove him to attack Charles Sumner **PlusPlus** Florian Mueck,2013-04-10 Have you met the Aerobic Penguin Do you speak like an AK 47 Do you dance the Cha Cha Cha on stage PlusPlus offers you more than a hundred ideas for better communication In three blocks content delivery slides you will learn about boosters and brakes for powerful persuasive public speaking and communication in general **Speech: Idea and Delivery** Charles Wyatt Lomas,Ralph E.
