Johnson, 2010-06-24 *A Collection of Poems and Words of Encouragement and Inspiration* Adele McMillan, 2021-08-04 Christmas 2006 before there was A Collection of Poems and Words of Encouragement and Inspiration I gave my mother a gift from my heart A Daughter s Poem Eight years later my father passed away The morning of his funeral I woke up at 3 30 grabbed pen and paper and wrote the poem A Tribute to My Dad My parents lived on top of a mountain in the Wichita Mountain Range and Wildlife Refuge in Oklahoma five hundred miles from my front door Back in the day my family and I mom and dad had great adventures climbing mountains hiking trails and watching the

buffalo roam Most days in the still of the early morning light dad would take their dog Darla for a walk down the hill and back On occasion I walked with them On one such occasion dad said he wanted to show me something interesting So I followed him to the front line of the property where stood an old snarled twisted tree In the middle of the tree trunk was a big hole When you looked inside the hole you could see the trunk was hollow Whenever you discover a hole in the trunk of a tree the first rule is to put a secret message in a glass jar and drop it down into the hole And that s just what we did When those beautiful days surrendered to evening shadows my mom and I would sit on the swing in her garden eat ice cream talk about days gone by and watch the sun slide behind the mountaintops Years passed and seasons changed and I understood that my parent s unconditional love and unselfish acts of kindness were unspoken words of encouragement which inspired this writer to collect and share her own words of encouragement and inspiration

Inspired Poems Glenn Thrush,2007-08 Inspired Poems is exactly what the title states Every poem has been inspired by a person a place or a special need for a card It has never been easy for me to just sit down and make up a poem However when the inspiration is there the words flow I have written poems for most of my adult life They were shared and enjoyed by the people who wanted or needed them and then just thrown away For this book I have chosen poems about everyday life and things that happen to all of us car repair finances a trip to the grocery store etc Without the help of my wife Susan this book would have never been She insisted that I start keeping my work She also suggested that we do our own Christmas cards each year thus the collection of Christmas poems in the last part of the book As we traveled through life she suggested that maybe a book was possible I didn t think so but she prevailed and Inspired Poems came about She has done much for this project including the technical work a little goading and so forth For these reasons I have dedicated this book to my wife Susan Sincerely Glenn Thrush
