Life of a Pirate

Captain Crowley shook his rusty hook and grumbled to himself as he looked out at the raging sea. It had been days since they'd set sail, and they were no closer to finding treasure than when they'd started. He was about to turn back when Finn, a scrawny pirate with a patch over one eye, spoke up.

"I say we keep going!" Finn shouted with determination in his voice. "This storm is too dangerous!" Captain Crowley yelled back. "We're changing course now!" In desperation, Finn cried out, "We're so close! We can't give up!"

Captain Crowley hesitated for a moment before finally agreeing. They had come too far to turn back now. With a nod, they both went back to their tasks - readying the ship for the storm that was brewing.

It wasn't long before the waves began crashing over the deck, and the wind was howling like a wolf. The pirates fought bravely against the elements, but eventually, the ship capsized as it was hit by a huge wave.

All seemed lost until suddenly there was a loud crack! The ship's mast had snapped in two and was floating just above them. The pirates gratefully grabbed onto it and clung on for dear life as the storm continued to rage around them.

After what felt like hours of unending torture, the storm finally subsided. They looked around in disbelief as they realized they had washed up on the island they had been searching for!

The pirates couldn't believe their luck as they crawled ashore. Right there in the middle of the small island was a treasure chest overflowing with gold!

1. Which detail from the text [222] helps you visualize the setting of this story?
