those in formal education or technical professions **A Guide to the Study of Medieval History for Students, Teachers, and Libraries** Louis John Paetow, 1917 **Challenges in Interpretation Services for Syrian Refugees** Malek Al Refaai, 2025-09-30

Accurate and accessible interpretation can mean the difference between integration and isolation for refugees. But what specific challenges do Syrian refugees in Halle, Germany face when relying on interpretation services? Malek Al Refaai examines the role and quality of these services in the context of Syrian refugee migration since 2015. Based on a mixed methods approach including interviews, questionnaires, and focus groups, he analyzes the experiences of both refugees and interpreters in Halle Saale. The findings reveal significant communication problems in legal, health, social, educational, and financial areas. Refugees often reported misinterpretations caused by inadequate training, cultural biases, or dialect differences. Even professional interpreters struggled with technical terminology and role clarity. This book offers practical recommendations: increased professionalism, targeted training and certification, as well as cultural sensitivity in interpreter selection. It offers valuable insights for policymakers, institutions, and future research.
