Transland Mx. Sly, 2023-10-17 A memoir of transformation and self discovery that explores fetish communities from a gender diverse perspective Transland is a fiery and revealing memoir that explores what happens when a non binary person goes looking for self worth and a sense of belonging in fetish subculture only to find that fetish communities come with just as many problematic rules expectations and hierarchies as mainstream ones Moving from wide eyed optimism that the fetish community is the promised land to realizing the ways fetish communities even queer ones reinforce the commodification of bodies Mx Sly examines how BDSM helped them understand and articulate their gender how kink helped them turn shameful experiences into liberating ones and how they became disillusioned with the BDSM scene without rejecting the lessons fetish taught them The stories in Transland explore PTSD intergenerational trauma memory consent gender transition and diversity queer relationships and subculture and a lot of bondage An odyssey of kinky hookups including a charismatic Toronto femdomme an Aussie rope bondage expert and the queer sex tourism neighborhood of Bangkok gender euphoria and testing the limits of sensual experience this memoir is a candid exploration of fetish communities and practices and a wandering quest through sensuality toward personal strength and self reliance Sexy gutting graphic and existential Transland is about finding oneself through intense sensations reaching a point where being hit has diminishing returns and coming out wiser on the other side This publication meets the EPUB Accessibility requirements and it also meets the Web Content Accessibility Guidelines WCAG AA It is screen reader friendly and is accessible to persons with disabilities This book is defined with accessible structural markup This book contains various accessibility features such as alternative text for images table of contents page list landmark reading order and semantic structure
