The Girls' Guide to Wealth Rachel Cunningham-Day, 2004 It may not be polite to talk about money but no one said we shouldn't write about it This accessible humorous book is written to appeal to a broad spectrum of women irrespective of their age lifestyle or level of financial awareness This book is relevant to every woman who earns or simply spends money This book aims to change the way women think about money forever Money provides protection If you fall upon hard times the money you have saved will support you Money also provides freedom freedom to travel to educate yourself to treat your family and friends Making the most of your money like everything else in life is a matter of habit and discipline This book aims to get you into the habit and give you that discipline No matter how much

money you have this book will help you substantially increase your disposable income while maintaining your lifestyle Two of the main causes of stress in life are financial debt and lack of funds to do what you want in life This book will reduce the stress in your life by first showing you how to save money in all areas of your life so increasing your monthly disposable income then advising you how best to apply this money to eliminate your debts This book will encourage you to approach your finances as you would a diet All diets start with an understanding of current body condition followed by a period of adopting diet guidelines and monitoring progress This book contains exercises to enable you to understand your current financial condition and to monitor it The book then provides guidelines to employ in every area of your life to help you streamline your spending and maximise your savings As with a diet the more closely you follow the guidelines the more money you will save A step by step real life case study is provided at the end of the book This enables you to work through the financial exercises and see the money saving tips in a real life situation The case study demonstrates how to move from significant indebtedness to debt free living in easy to follow steps This book will be the best investment you make this year

On My Honour Tammy M. Proctor, 2002 Arising in the first decades of the twentieth century the Boy Scout and Girl Guide movements came into existence in Britain in an era of social and political unrest and were initially the center of intense controversy Through the years Guiding and Scouting broke down class race and gender distinctions and helped youth cope with an emerging mass culture and allowed boys and girls to stretch gender and generational boundaries Using official documents logbooks diaries and oral histories Tammy Proctor explores the formation of the Scouts and Guides and their transformation during and after World War I The interwar period marked a departure for the two organizations as they emerged as large multinational organizations that targeted not only adolescents but also smaller children and young adults

Scouting for Girls Tammy M. Proctor, 2009-09-23 This volume examines scouting the largest voluntary movement for girls in its first century of existence seeking to understand how the organization has lasted and how it has changed Scouting for Girls A Century of Girl Guides and Girl Scouts is the first global history of Girl Scouting and Guiding that addresses the successes and pitfalls of the 100 year old organization from its beginning in Great Britain through its international expansion Since 1910 millions of girls worldwide have been exposed to Scouting While much has changed since 1910 the core values of Scouting Guiding are still recognizable in today's programs namely the empowerment of girls through adventure character building home skills outdoor pursuits and active learning But has Scouting's very willingness to change with the times undermined its original ideologies and fundamentally changed the movement As Girl Scouts and Guides move into their second century their challenge will be to remain true to their founding values while remaking themselves on a regular basis Given the changing nature of today's societies and the serious problems girls face on a daily basis Girl Guides and Girl Scouts will need to be true to their motto Be Prepared in order to march forward successfully into the future **The Patriarch's**

Guide Conrad Riker, I understand your concerns about the constant attacks on traditional family values and the rise of leftist

ideologies You're not alone Are you worried about the erosion of traditional male roles in society Do you feel that your grandchildren are being indoctrinated with progressive ideologies Are you concerned about the effects of feminism on your family structure and values If these questions resonate with you then *The Patriarch's Guide: Raising Masculine Sons and Daughters in a Feminized World* is the book you need In this book you will discover How to maintain the importance of family hierarchies in a changing world The effects of feminism on the family structure and how to counteract them The role of grandparents in raising children and how to be a positive influence The impact of societal changes on family dynamics and how to navigate them The importance of discipline and tough love in raising strong children The dangers of indoctrinating children with leftist ideologies and how to protect them The benefits of intergenerational continuity in the family Raising self-reliant children in a world that promotes dependence Take back control of your family's values and legacy If you want to equip your children and grandchildren with the tools to thrive in a masculine world then buy this book today [Delinquents and Debutantes](#) Sherrie A. Inness, 1998-08 The first volume to examine young girls' culture in the U.S. in the 20th century Essays address such topics as board games and the socialization of adolescent girls dolls and political ideologies female juvenile delinquency and more to demonstrate how cultural discourses shape both the young and teenage girl in America 9 illustrations

The Girl's Guide to Building a Fort Jenny Fieri, 2021-05-04 An entertaining guide for girls on how to make the world into their workshop with screen-free hands-on activities for independent exploration making building and play The Girl's Guide to Building a Fort shows girls and their grown-ups how to knock down the four walls holding them in and transform each day into a canvas for play and adventure This illustrated information-packed guide is for Hands On Girls girls who want to fix things make things and learn more about the world around them The book contains two sticker pages and dozens of activities projects and games many of which can be done in 30 minutes or less with materials you already have in and around your home and fun and interesting information on everything from how to spot constellations and change a bike tire to how to make your own jerky and what to do if you get lost in the woods It's the must-have book for

anyone big or little who's ready to learn new skills get a little dirty and reconnect with the whimsical gutsy girl in each of us

The Figure of the Child in WWI American, British, and Canadian Children's Literature Elizabeth A. Galway, 2022-03-30

Over the past century much attention has been paid to the literature written for adults in response to the First World War but there has been comparatively little consideration of how the war influenced literature for young readers at the time. Based on extensive archival research, this study examines an array of wartime writing for young people and provides a new understanding of the complexities and nuances within children's literature of the period. In its discussion of nearly 150 primary sources from Britain, Canada, and the United States, this volume considers some well-known texts but also brings to light forgotten children's literature of the era, providing new insights into how WWI was presented to the young people whose lives were indelibly impacted by the crisis. Paying special attention to the varied ways in which child figures were depicted, it reflects on what these portrayals reveal about adult conceptualizations of youth and it considers how these may have shaped young readers' own views of armed conflict, citizenship, and childhood. From the helpless victim to the heroic combatant, child figures appeared in many guises, exposing a range of adult concerns about nation, empire, and children's citizenship. Exploring everything from alphabet books for beginning readers to recruitment materials for high school students, this book examines works from multiple genres and provides a uniquely comprehensive study of transatlantic children's literature produced during the first global war.

A History of Girl Guides & Girl Scouts Julie Cook, 2022-11-17 A History of Girl Guides and Girl Scouts: Brownies, Rainbows, and WAGGGS charts the evolution of the Girl Guides and Girl Scouts from its early days as a movement started before WW1 right through to the modern day. With real-life interviews with Girl Guides and Girl Scouts from their 90s down to young children, this book looks at what being a Girl Guide has meant through the ages up to the present day. With dramatic and often emotional stories of what it was like to be an evacuated Brownie in the Second World War, a disabled Girl Guide, and with tales of girls' heroism throughout the two great wars, both in the UK and the United States, this book extols the Guiding and Scouting movement as one that has evolved with women and girls' rights and its hopes for the future.

Reader's Guide to British History David Loades, 2020-12-17 The Reader's Guide to British History is the essential source to secondary material on British history. This resource contains over 1,000 A-Z entries on the history of Britain from ancient and Roman Britain to the present day. Each entry lists 6-12 of the best-known books on the subject, then discusses those works in an essay of 800 to 1,000 words prepared by an expert in the field. The essays provide advice on the range and depth of coverage as well as the emphasis and point of view espoused in each publication.

When Violence Begins at Home K. J. Wilson, Ed.D., 2013-03-15 Since its initial publication, this far-reaching reference has provided professionals and victims of abuse with guidance on everything from indicators of an abusive relationship to domestic violence legislation, from antiburnout tips for helpers to advice on leaving an abusive partner. This updated edition addresses new research and programs, adding information on date rape, drugs, stalking, cyberstalking, pregnancy, and domestic violence.

and the effectiveness of batterer intervention programs Current controversial social and legal issues such as mutual battering child welfare and failure to protect policies child custody and visitation rights for batterers mandatory arrests and welfare reform are also covered Two new chapters devote attention to domestic violence in the military and to the challenging and rewarding role of those who work with battered women and their children New resources have been included to reflect the ever evolving wealth of books web sites and agencies available to both helpers and those in need

Scouting Frontiers Nelson R. Block, Tammy M. Proctor, 2009-01-23 Despite the fact that Scouting has touched the lives of a quarter of a billion boys and girls and their leaders around the world in the past century its history has been largely ignored Scouting Frontiers Youth and the Scout Movement's First Century is the first book to discuss the history and principal themes of the Boy Scout and Girl Guide movements on an international scale Inspired by presentations at the ground breaking 2008 Johns Hopkins University symposium Scouting A Centennial History the authors examine the world's greatest youth movement through the diverse experiences of its members and their organizations From Muslim Scouts in Wales to French Scouts in Syria to Girl Guides in colonial Kenya Scouting has responded to the challenges of international expansion and transformed itself to address cultural political and social diversity Scouting Frontiers focuses particularly on the intersections between Scouting's

origins and its transformations over the last century as it faced frontiers of nation empire religion race class and gender

Guide Siena Castellon,2020-03-19 Moonbeam Children s Book Awards Silver Medal Winner Nautilus Silver Book Award Winner Purple Dragonfly Book Awards First Place Never be ashamed of being different it is this difference that makes you extraordinary and unique This essential go to guide gives you all the advice and tools you ll need to help you flourish and achieve what you want in life From the answers to everyday questions such as Am I using appropriate body language and Did I say the wrong thing through to discussing the importance of understanding your emotions award winning neurodiversity campaigner Siena Castellon uses her own experiences to provide you with the skills to overcome any challenge She shares authentic advice for looking after your physical and mental health as well as how to cope with anxiety and sensory overloads With practical tips on friendships dating body image consent and appearance as well as how to survive school and bullying The Spectrum Girl s Survival Guide gives you the power to embrace who you are reminding you that even during the toughest of teen moments you are never alone **A Practical Guide to Autism** Fred R. Volkmar,Lisa A.

Wiesner,2009-08-17 Autism is in the public spotlight now more than ever as new research and information appears almost daily Although in many ways this is a positive development it also presents challenges to families and practitioners who want to keep up with the latest developments and are left to sift through new information by themselves to see what is credible and relevant for them Each of us needs a personal research assistant who can determine which information we need to pay attention to and let us know how it might affect our daily work and the children we are living with or serve Since we each don t have our own research assistants on staff I am delighted to recommend this wonderful book by Fred Volkmar and Lisa Wiesner Both of these talented professional leaders have combined their scientific skills and understanding of the field with great practical experience and ideas about how research can be translated into clinical practice The result is a book that provides the best and most comprehensive information about recent scientific developments and a splendid practical guide for how they are being implemented and what we are learning in the process The issues are presented in all of their complexity but translated into language that is clear direct and easy to follow The format also lends itself to understanding the complex issues and their implications through excellent charts question and answer sections and chapters that vary from describing diagnostic issues to stating very specifically how to expand and evaluate the services one is receiving The comprehensive references and lists of additional resources also add greatly to the overall package As a professional dedicated to understanding scientific advances and helping families and teachers to utilize them most effectively I am very pleased to have an ally like this book available I am very grateful to the authors for providing a very credible practical and relevant addition to our field to help the many advocates and family practitioners to better understand the exciting new developments and how they can be implemented in our day to day work Those taking the time to read through this superb
