Global Business Mike W. Peng, 2009-01-01 Broaden your students global perspectives with the strategic and truly global approach used in GLOBAL BUSINESS the latest work from renowned international instructor author and consultant Mike Peng Using an inviting

conversational style GLOBAL BUSINESS delves into the inner workings of companies throughout the world that have expanded globally such as Brazil's Embraer, China's Haier, India's Hindustan Lever, and Spain's ZARA. Drawing upon these real-life cases in every chapter, Peng reveals penetrating managerial implications for action. Video cases, actual examples, and unique global debate sections help you teach students to think independently and view today's business challenges from a global perspective. Peng's readable presentation is supported by a wealth of up-to-date scholarly references. The book's comprehensive package, including the innovative CengageNOW course management system correlated to AACSB requirements, helps ensure that your students become the most effective managers possible as they learn to navigate the global business landscape guided by a true world citizen, Mike Peng.

Global Marketing Ilan Alon, Eugene Jaffe, Christiane Prange, Donata Vianelli, 2020-08-19. Global Marketing 3rd edition provides students with a truly international treatment of the key principles that every marketing manager should grasp. International markets present different challenges that require a marketer to think strategically and apply tools and techniques creatively in order to respond decisively within a fiercely competitive environment. Alon et al. provide students with everything they need to rise to the challenge. Coverage of small and medium enterprises as well as multinational corporations, where much of the growth in international trade and global marketing has occurred. A shift toward greater consideration of services marketing as more companies move away from manufacturing. A shift from developed markets to emerging markets with more dynamic environments. A focus on emerging markets to equip students with the skills necessary to take advantage of the opportunities that these rapidly growing regions present. Chapters on social media innovation and technology teaching students how to incorporate these new tools into their marketing strategy. New material on sustainability, ethics, and corporate social responsibility, key values for any modern business. Short and long cases and examples throughout the text show students how these principles and techniques are applied in the real world. Covering key topics not found in competing books, Global Marketing will equip today's students with the knowledge and confidence they need to become leading marketing managers. A companion website features an instructor's manual with test questions as well as additional exercises and examples for in-class use.

Human Capital and Innovation Sumit Kundu, Surender Munjal, 2016-11-15. The second title in the Palgrave Studies in Global Human Capital Management series, this book explores how human capital contributes to innovation within the context of an interconnected and globalized world. Investigating globalization as a phenomenon reflected within increasing cross-border flows of goods, services, know-how, and talent, Human Capital and Innovation: Examining the Role of Globalization illustrates various facets of innovation at individual, team, and organizational level. It highlights the influence of new economic realities such as technological advances and the rise of emerging economies on human capital and innovation.

International Business in the 21st Century Bruce D. Keillor, Vijay R. Kannan, 2011-05-04. This comprehensive three-volume set covers every aspect of international business operations and offers a detailed discussion of important issues looming on the horizon. Covering an

array of topics critical to today's business leader International Business in the 21st Century is comprised of three volumes The first volume Are You Ready Preparing for International Operations covers issues related to establishing an international business including assessing your export readiness and finding financing Volume two Going Global Implementing International Business Operations is about actually getting your business up and running Volume three Staying on Top Crucial Issues for International Business in the 21st Century discusses the many things that impact anyone doing business in the international arena from cultural differences to the challenges of international threats and terrorism Bridging the gap between the business world and the academic world the set provides a comprehensive breakdown of the specific topic areas associated with firm preparedness improving efficiencies and the often overlooked areas of operational risk With this set in hand business leaders will better understand how to get involved and how to stay ahead of the curve in international markets

Advanced Perspectives on Global Industry Transitions and Business Opportunities Saruchera, Fanny, 2021-03-18 As more companies shift their operations between countries to take advantage of lower costs and greater profit the global market continues to change rapidly resulting in global hypercompetition that can be detrimental to a business Firms must remain updated with the latest research as they navigate cultural differences communication challenges and inconsistent standards in order to thrive Advanced Perspectives on Global Industry Transitions and Business Opportunities is an essential comprehensive reference book that explores the current global business environment and the challenges that have arisen due to contemporary globalization and the resulting global hypercompetition With a broad scope the book covers the implications of industry transitions from small and medium sized companies to multinational businesses and large enterprises and discusses opportunities for both born global and born again global firms Featuring topics that deal with innovation digitalization disruptive technologies and international collaboration this is an ideal source for executives managers entrepreneurs global businesses and businesses looking to transition to the global market academicians researchers and students

Global Strategic Management Gerardo R. Ungson, Yim-Yu Wong, 2014-12-18 International business is undergoing continuous transformation as multinational firms and comparative management evolve in the changing global economy To succeed in this challenging environment firms need a well developed capability for sound strategic decisions This comprehensive work provides an applied and integrated strategic framework for developing capabilities that lead to global success It is designed to help readers achieve three essential objectives First it provides intellectual and practical guidelines for readers to execute goals and strategies that lead to meaningful and productive results The book is packed with frameworks cases anchoring exercises techniques and tools to help readers emerge with a completed business plan after the last chapter Second it focuses on strategy and how firms build competitive presence and advantages in a global context A primary learning objective is to enable readers to understand and evaluate the major issues in strategy formulation and implementation in a global context Third it provides an accessible framework that will help guide readers in making strategic

decisions that are sound and effective It offers a unifying process that delineates the necessary steps in analyzing the readiness of a firm to do business abroad In addition to core issues each chapter presents frameworks analytical tools action oriented items and a real world case all designed to provide insights on the challenges imposed by globalization and technology on managers operating in a global context Management Science Carolina Machado,J. Paulo Davim,2019-03-01 This book presents the skills required in business and management careers The management tools provided within this text can be very useful for beginners in the study of management area as well as to those pursuing a managerial career in different types of organization It serves as a refreshment in the management sciences foundations Subjects such as accounting marketing human resources operations finance are treated in detail giving the reader the background that can be applied to a variety of real world business situations The book also covers the latest developments in management research activity promoting discussion and the exchange of information on principles strategies models techniques methodologies and applications in the management and business area **Digitalisation of Global Business Services** Albert Plugge,Shahrokh Nikou,2024-02-26 The concept of Global Business Services GBS is well recognised and researched by both scholars and practitioners However the complexity of applying GBS has been the subject of various critiques due to its effect on firms business processes service portfolio and provisioning of in house as well as outsourced services Although GBS results have been much criticised this book argues that the rise of digitalisation reopens the question of implementing GBS successfully The findings of this novel research which is based on a multi method approach provide insights in relevant GBS factors and how these factors affect a GBS implementation strategy Further analysis show how digitalisation including platforms and AI enable GBS organisations to decrease implementation issues Research outcomes illustrate that firms which apply an enterprise ecosystem approach are better able to exchange GBS information The willingness and ability of firms to intensify the collaboration at managerial and subject matter level will help to overcome GBS implementation challenges This book puts forward the case that the rise of digitalisation enables GBS organisations to provide benefits and ensure that the GBS business model still matters It will be of great interest to scholars and students of digital business and innovation
