

ANSWER KEY

Chapter 1: The 100th Birthday Party

1. What do these two quotes tell us about the story to come? *"Father's secret (was) not that he overlooked the differences in people, (but) that he didn't know they were there."* *"Willem didn't try to change people, just to serve them...Willem was against any system of segregation."*

The ten Boom family had already been prepared by God for the ministry they were to have to people of many different backgrounds and walks of life. It would not matter who came to them; they would minister as they were given opportunity.

2. What three languages had Corrie and her siblings been required by their Father to learn?
They had learned German and English as well as Dutch.

Chapter 2: Full Table

1. Why does Corrie include stories of her childhood? (Give your own opinion, but also look for what she explicitly explains about memories and their purpose.)

Answers will vary for the opinion portion. Corrie said, "...memories are the key not to the past, but to the future. I know that the experiences of our lives, when we let God use them, become the mysterious and perfect preparation for the work He will give us to do."

2. Foreshadowing on the first day of school for little Corrie. Knowing (as you do from the time line at the beginning of this study guide) what will happen to Corrie and her family at the hands of the Nazis, what do each of the following quotes point to in the future?

- Corrie said: *"Howling and struggling, I was led away from the world I knew into a bigger, stranger, harder one..."*

Corrie would eventually be led away to prison, to Vught Concentration Camp, and finally to Ravensbrück Concentration Camp. After the war, she would be led into a ministry of reconciliation that would require her to forgive the Nazis who had tried to destroy her.

- Regarding Father's train cave, Casper said: *"It is the same way, Corrie, with knowledge. Some knowledge is too heavy for children when you are older and stronger you can bear it. For now you must trust me to carry it for you."*

If Corrie had known from the beginning of the Nazi occupation of Holland all that lay ahead of her, she would not have been able to bear it. Each trial she experienced made her older and stronger in her faith in Christ, ready to carry more than she could have before.
