This full color laboratory manual is designed for instructors who teach a two semester introductory anatomy physiology course but do not require the full range of laboratory exercises found in Marieb's best selling Human Anatomy Physiology Lab Manuals Cat Fetal Pig and Man. Though this lab manual can be used with any two semester text it will be most effectively used with Marieb's Anatomy Physiology Third Edition. Instructors will find 27 concise activity based lab exercises that explore basic concepts in anatomy physiology. For instructors who want their students to experience using a microscope a complete exercise on its use and care can be found in Appendix A. Each lab is presented with learning objectives, cogent summaries of key concepts and meaningful activities that build students' observational and laboratory skills. Review sheets are now integrated to conveniently follow each lab exercise. The lab manual also features a full color extensive and newly revised Histology Atlas Key Topics Anatomy Physiology Market. For all readers interested in anatomy and physiology.

For the two semester A P course. Setting the Standard for Innovation in A P. Human Anatomy Physiology has launched the careers of more than three million healthcare professionals. With the newly revised Tenth Edition, Marieb and Hoehn introduce a clear pathway through A P that helps students and instructors focus on key concepts and make meaningful connections. Each chapter opens with a visual Chapter Roadmap that guides students through the material and shows how concepts are related within and across chapters. The new modular organization makes key concepts more readily apparent and understandable to students and new videos help students see why the content matters in their course as well as their future careers. As students master important concepts and follow a clear path through chapter content, the expanded suite of learning tools in the book and in MasteringA P ensure they don't get lost along the way. Also Available with MasteringA P. This title is also available with MasteringA P, an online homework tutorial and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts.
