**The Power of Resilience** Peniel Mugo, 2022-12-27 Individuals don't choose when where and in what circumstances to be born. They just find themselves there. It therefore calls for focus, patience, hard work, determination, and above all, trust in God to get to the desired end. This book is about where, when, and under what circumstances this author was born and raised. It also informs about the Kenyan people and what Kenya can offer to the rest of the world. It also attempts to prepare new arrivals to the United States, especially those from developing countries, on the challenges that they are likely to encounter.

Not so for City Boy. In this bold and refreshing account, Dr. Frank Njenga, a leading psychiatrist and author, weaves a compelling tale of growing up in an affluent neighbourhood, attending a once European-only school, enjoying foreign travel in childhood, and all the trappings of a good upbringing. His account of the Mau Mau period, as well as the post-independence era, is captivating. With candour and charm, he invites readers into the world that shaped him: a world of books, travel, privilege, and the rich tapestry of people who

influenced his journey It is a story that turns tables on the notion that rural poverty and adversity in childhood are the building blocks of a successful life Rather City Boy offers a new lens through which to view adolescence in the 1960s personal ambition and what it takes to scale the heights of professional growth In City Boy Dr Njenga rewrites the script on success with elegance honesty and a rare clarity of thought *Kenya National Assembly Official Record (Hansard)* ,1996-07-24 The official records of the proceedings of the Legislative Council of the Colony and Protectorate of Kenya the House of Representatives of the Government of Kenya and the National Assembly of the Republic of Kenya **Research and Discussions in Critical Discourses and Remedies in Global Health Education** Ashti A.
