**Gospel of Divine Love - Revealed by Jesus** James E. Padgett (Medium),2008-12-01 Can beliefs be healed that were created in error Of course they can and this is precisely why Jesus returned to give these messages to mankind He did this in order to show the truths he taught 2 000 years ago Yes he did return and rather than take time to show the many errors in the Bible Jesus instead presents what he really said and meant Read this book and investigate the central message of Jesus revealed anew today The core teaching of Jesus is that it is the will of our Heavenly Father to give the great gift of His Divine Love Learn what this means and how this love may change your life This book is a new compilation of selected spirit writings from a larger collection generally known as the Padgett Messages James Padgett received these messages between 1914 and 1920 and though they were delivered by the spirit world nearly a century ago the reader will discover that they remain relevant and true today     [The American Friend](#) ,1923     [Restoration Story](#) Robert K. **The Little Children: A Lesson in Humility** Ahmed Musa ,2024-12-14 In a world that values power status and accomplishments Jesus took a completely different approach to greatness The Little Children A Lesson in Humility takes you into one of the most profound moments in the Gospels where Jesus in the midst of His ministry calls a group of little children to Himself and teaches His disciples that greatness in the Kingdom of God is found not in power or position but in humility trust and a childlike heart In The Little Children A Lesson in Humility you will discover The scene where Jesus welcomed little children even when His disciples tried to keep them away showing that the kingdom of God is for those with a pure and simple faith Jesus shocking words to His disciples Truly I tell you unless you change and become like little children you will never enter the kingdom of heaven What did Jesus mean by this and why did He elevate children as a model for spiritual greatness The deep lessons embedded in Jesus words how childlike faith represents humility trust dependence and an openness to receive God s love and grace How Jesus turned the worldly view of

greatness on its head teaching that to be great in God's eyes we must serve others become humble and approach God with the trust and awe of a child. The profound implications for our own lives how embracing humility and childlike faith can lead us to deeper intimacy with God and a more powerful witness to the world around us. In this tender moment Jesus pointed to the little children and said in effect This is what faith looks like. This is what greatness in God's kingdom is all about. The children's willingness to come to Jesus with no agenda no pride no self sufficiency reflects the kind of heart God longs for in each of us. In a world that often measures success by accolades and accomplishments The Little Children reminds us that true greatness is measured by our ability to humble ourselves and trust completely in God's love and care. What does it mean to become like little children in our approach to God? How does humility open the door to true greatness in His kingdom? The Little Children teaches us that greatness is not about what we accomplish but about who we become before God humble trusting and dependent on His love and grace. Step into The Little Children A Lesson in Humility and learn how Jesus used the simplicity of childlike faith to show us the heart of the Kingdom of God. True greatness begins when we lay down our pride and trust fully in the love and authority of the Father.
