Shams Peter Downs,2013 Written by a parent and school board member who first embraced many of the ideas of the modern
school reform movement Schoolhouse Shams lays bare much of the mythology and misinformation that underpin many of the
failed school reform policies of the last decade Many of the top strategies of the highly publicized school reform movement
already have been tried out in St Louis with disastrous results Along with demonstrating the failure of school reform
prescriptions to improve education the experience of St Louis demonstrates that the ideological premise of the reform
movement that a focus on providing opportunities for private profit taking will necessarily improve schools is both wrong and
