Det. 25 Michael L. Haley MSG (Ret.) USAR, 2023-01-18 When Sergeant First Class Haley and 35 other Soldiers in Detachment 25 deployed to Afghanistan on a mission to mentor the training and development of the Afghanistan National Army they did not know how chewed up the situation was Selected from volunteers within the Ninety Fifth Division the Army Reserve Drill Sergeants of Det 25 discovered that training the ANA was a joke Afghanistan was a toilet that needed to be flushed of its Taliban turds but that was never going to happen What did happen was that the entire world took a crap all over that country and left it more of a mess than it was before Operation Enduring Freedom began Nation building is a failure and the United States must never again attempt it anywhere else in the world Whenever someone tells the truth about military or political incompetence in the United States the government feigns plausible deniability or tries to suppress the truth This story tells the truth about a group of American heroes and legends who did not deserve a loss for their sacrifices Thanks to the worst president in American history the loss of American lives has become a joke Americans can only laugh about OEF because there is nothing else anyone can do now except to have faith hope and love *Long Hard Road* ,2007 The call to war is often met by young soldiers who lack an understanding of what they are about to encounter These young soldiers must be trained prepared and then led in battle by those with experience and understanding the Noncommissioned Officer Corps In an effort to preserve the history of the US Army Noncommissioned Officer and to provide future noncommissioned officers with an understanding of the actions necessary to prepare soldiers and to lead them in war the US Army Sergeants Major Academy undertook a program to gather and publish the stories of NCOs who had served in both Afghanistan and Iraq Most of the papers received were from students of the US Army Sergeants Major Course who had already deployed to either Operation Enduring Freedom or Operation Iraqi Freedom This work highlights a few of those stories A wide range of topics have been chosen to allow the reader to understand the preparations training and actions needed for NCOs to accomplish their missions Many of the selected stories were shortened and edited for clarity however every attempt was made to remain true to the author s original intent Forward **Transnational Data and**
