How To Hone Problem Solving Skills Problem Solving For Success:

How To Hone Problem Solving Skills Betty McDonald,2014-11-28 Everyone has a problem about something that needs to be resolved With close to 45 years of academic experience and coming from a mathematical background the author has not met a single person who can truthfully claim not ever having a problem Challenges are everywhere They occur every day They are faced by everyone They become so insurmountable that they literally assume problem status Even if someone helps you solve a problem you cannot depend on that person or others to keep solving your problems Besides you would always have a problem to be solved This self help book addresses the knots and bolts of how to hone problem solving skills in a simple straightforward manner that anyone can understand with minimum effort and expertise The author uses numerous familiar quotations from the public domain to serve as thought provoking stimuli to drive home the views shared in each section The shareware graphics punctuate the text and serve to lighten the tone augment the explanations and bring comic relief The strategies discussed in this book can help anyone This is your go to book when you need help with problem solving Enjoy

Psychology Of Problem Solving, The: The Background To Successful Mathematics Thinking Alfred S Posamentier,Gary Kose,Danielle Sauro Virgadamo,Kathleen Keefe-cooperman,2019-08-21 The art or skill of problem solving in mathematics is mostly relegated to the strategies one can use to solve problems in the field Although this book addresses that issue it delves deeply into the psychological aspects that affect successful problem solving Such topics as decision making judgment and reasoning as well as using memory effectively and a discussion of the thought processes that could help address certain problem solving situations Most books that address problem solving and mathematics focus on the various skills This book goes beyond that and investigates the psychological aspects to solving problems in mathematics
