**Management** Martin Hemmert, 2012-10-02 Throughout the last several decades Korean companies have entered the world  
 markets in a wide range of manufacturing industries with great success How did they achieve this exceptional performance  
 This book uncovers the secret of their performance through a comprehensive analysis of the Korean management system It  
 explains to an international audience how it has developed why it works so well and what non Koreans can learn from it The  
 book analyzes the management of Korean firms from three different perspectives First a historical perspective is applied by  
 showing how Tiger Management has emerged and how it has been continuously advanced over the last 50 years The  
 breathtaking stories of how Korean companies seemingly coming from nowhere have challenged their Western and Japanese  
 competitors on the world markets are told Second the cornerstones of Tiger Management are analyzed from a functional  
 viewpoint showing that the success of Korean companies rests on a smart combination of business strategy leadership and  
 human resource management practices Finally the present and future of Tiger Management is discussed by showing how  
 Korean companies have adapted to changes in their business environment at home and abroad and what non Korean  
 companies can learn from their Korean rivals The book gives an up to date analysis of Korean management practices from a  
 global perspective It identifies the success factors of Korean companies long term aggressive and persisting business  
 planning speed flexibility strong leadership strong teamwork and high investment into human skills and capabilities It  
 illustrates how these management practices complement each other and provides non Korean companies with signposts how  
 they can adopt them **Building Network Capabilities in Turbulent Competitive Environments** Young Won Park, Paul  
 Hong, 2011-12-19 Since the start of the recent financial crisis as most global firms struggle to remain competitive an  
 increasing number of Korean and Japanese firms have experienced an amazing rate of growth and expansion Although  
 academic researchers and business leaders in the United States China Brazil India and Europe seek out the secrets to these
