

The background of the book cover features a detailed, close-up image of an orange printed circuit board (PCB). The intricate network of copper traces, pads, and vias is visible, creating a complex geometric pattern. The top and bottom portions of the cover are dominated by this PCB imagery, which is separated by a wide, white horizontal band. This band serves as the background for the title and authors' names. The title is rendered in a large, orange, serif font, while the subtitle and authors' names are in a smaller, black, sans-serif font.
