

About the Service

MECS is an NHS funded service available to all patients (adults and children) registered with a Tower Hamlets GP or who are a Tower Hamlets resident with no GP. The service is designed to offer convenient care for minor medical eye conditions.

The service is provided by local optometrists who have specialist knowledge and skills to carry out this work.

NOTE: If you have an eye condition that is already being treated by your optometrist or hospital eye service, for example a cataract, glaucoma or diabetic eye disease, this will continue as before and will not be covered by the new service. This service is not a sight test and you will not be issued with a prescription for spectacles.

You should continue to visit your usual optician for regular eye examinations and prescriptions as normal.

Eye Conditions That Can Be Treated by MECS

The service is designed for recently occurring medical eye conditions such as:

- Red eye(s)
- Significant recent discharge from or watering from the eye
- Mild trauma, for example a scratch to the outer surface of the eye(s) or lids
- Suspected foreign body in the eye
- Mild pain and/or discomfort in the eyes

Eye Conditions That Cannot Be Treated by MECS

Go directly to A&E if you have:

- Sudden loss of vision in one or both eyes
- Considerable eye pain or trauma
- Chemical injuries or burns
- Recent eye surgery

How Do I Access MECS?

You can be referred by your GP practice. You can also contact an approved optometrist (those listed in this leaflet) directly (self-ref) and make an appointment. Ask to be seen under the Minor Eye Conditions Service. Appointments are available during normal working hours and you will normally be seen within a maximum of 48 hours.

You are free to contact any of the approved optometrists. However, only approved optometrists can provide this service on the NHS so it may not be your normal optometrist.

Where Can I Be Seen?

Below is a list of all participating Optometrists in Tower Hamlets. Please call the practice for availability of MECS appointments.
