The Palgrave Handbook of African Traditional Religion Ibigbolade S. Aderibigbe, Toyin Falola, 2022-05-20 The Palgrave Handbook of African Traditional Religion interrogates and presents robust and comprehensive contributions from interdisciplinary experts and scholars Offering a range of perspectives and opinions through the prism of understanding the past about African Traditional religions and more importantly capturing their dynamics in the present and projecting their sustainability and relevance for the future this volume is an essential resource for knowledge and understanding of African Traditional religions in the global space of religious traditions *Encyclopedia of Christianity in the United States* George Thomas Kurian, Mark A. Lamport, 2016-11-10 From the Founding Fathers through the present Christianity has exercised powerful influence in the United States from its role in shaping politics and social institutions to its hand in inspiring art and culture The Encyclopedia of Christianity in the United States outlines the myriad roles Christianity has played and continues to play This masterful five volume reference work includes biographies of major figures in the Christian church in the United States influential religious documents and Supreme Court decisions and information on theology and theologians denominations faith based organizations immigration art from decorative arts and film to music and literature evangelism and crusades the significant role of women racial issues civil religion and more The first volume opens with introductory essays that provide snapshots of Christianity in the U S from pre colonial times to the present as well as a statistical profile and a timeline of key dates and events Entries are organized from A to Z The final volume closes with essays exploring impressions of Christianity in the United States from other faiths and other parts of the world as well as a select yet comprehensive bibliography Appendices help readers locate entries by thematic section and author and a comprehensive index further aids navigation International Perspectives on Rethinking Evil in Film and Television Tüysüz, Dilan, 2020-12-22 Aestheticization of evil is a frequently used formula in cinema and television However the representation of evil as an aesthetic object pushes it out of morality Moral judgments can be pushed aside when evil is aestheticized in movies or TV series because there is no real victim Thus situations such as murder or war can become a source of aesthetic pleasure Narratives in cinema and television can sometimes be based on a simple good evil dichotomy and sometimes they can be

based on individual or social experiences of evil and follow a more complicated method Despite the various ways evil is depicted it is a moral framework in film and television that must be researched to study the implications of aestheticized evil on human nature and society International Perspectives on Rethinking Evil in Film and Television examines the changing representations of evil on screen in the context of the commonness normalization aestheticization marginalization legitimization or popularity of evil The chapters provide an international perspective of the representations of evil through an exploration of the evil tales or villains in cinema and television Through looking at these programs this book highlights topics such as the philosophy of good and evil the portrayal of heroes and villains the appeal of evil and evil s correspondence with gender and violence This book is ideal for sociologists professionals researchers and students working or studying in the field of cinema and television and practitioners academicians and anyone interested in the portrayal and aestheticization of evil in international film and television

[The Bayeux Tapestry](#) John F. Szabo, Nicholas E. Kuefler, 2015-06-18 Commanding its own museum and over 200 years of examination observation and scholarship the monumental embroidery known popularly as the Bayeux Tapestry and documenting William the Conqueror's invasion of England in October 1066 is perhaps the most important surviving artifact of the Middle Ages This magnificent textile both celebrated and panned is both enigmatic artwork and confounding historical record With over 1780 entries Szabo and Kuefler offer the largest and most heavily annotated bibliography on the Tapestry ever written Notably the Bayeux Tapestry has produced some of the most compelling questions of the medieval period Who commissioned it and for what purpose What was the intended venue for its display Who was the designer and who executed the enormous task of its manufacture How does it inform our understanding of eleventh century life And who was the mysterious Aelfgyva depicted in the Tapestry's main register This book is an effort to capture and describe the scholarship that attempts to answer these questions But the bibliography also reflects the popularity of the Tapestry in literature covering a surprisingly broad array of subjects The inclusion of this material will assist future scholars who may study references to the work in contemporary non fiction and popular works as well as use of the Bayeux Tapestry as a primary and secondary source in the classroom The monographs articles and other works cited in this bibliography reflect dozens of research areas Major themes are the Tapestry as a source of information for eleventh century material culture its role in telling the story of the Battle of Hastings and events leading up

to the invasion patronage of the Tapestry biographical detail on known historical figures in the Tapestry arms and armor medieval warfare strategy and techniques opus anglicanum the Anglo Saxon needlework tradition preservation and display of the artifact the Tapestry s place in medieval art the embroidery s depiction of medieval and Romanesque architecture and the life of the Bayeux Tapestry itself Forthcoming Books Rose Arny,2001 **Connect Plus Humanities Access Card for the Humanistic Tradition** Gloria K. Fiero,2002 The penultimate volume in this series chronicles the move towards modernism covering the arts politics and philosophy from the end of the 1700s to the dawn of the twentieth century Using literary and musical excerpts to illuminate discussions Fiero addresses important events and discoveries of the nineteenth century world Volume five begins with the art and literature of the Romantic era and concludes with coverage of the shifting aesthetics of the late nineteenth century As in previous volumes Volume Five includes a range of vivid illustrations and images throughout the text to enhance the material
