Bright Eyes Bridey Thelen-Heidel, 2024-09-24 Fans of Jennette McCurdy's *I'm Glad My Mom Died* will root for Bridey Thelen Heidel as she struggles to unshackle herself from her mother's chaos in this triumphant debut memoir. Bridey is tethered to her mom's addiction to dangerous men who park their Harley Davidsons in the house and kick holes in all their doors. Raised to be her mother's keeper, rescuer, and punching bag, Bridey gets used to stuffing her life into black trash bags, hauling them between Alaska and California and changing schools every time her mom moves in a new monster or runs away from one. Desperately seeking the normal life she's observed in sitcoms and her friends' families, Bridey earns her way into a fancy private college where she tries to forget who she is until her mom calls with a threat that drops Bridey to her knees. Watching doctors and police interrogate her mother at the hospital, Bridey realizes her mom has become a monster herself and she doesn't want to be saved. But Bridey does. *Bright Eyes* is about the indomitable spirit of a young girl forced to be brave, required to be resilient and conditioned to be optimistic, and how she ultimately uses the same traits that helped her to survive her mother's chaos to create her own happily ever after. [Internet Drama and Mystery Television Series, 1996-2014](#)

Vincent Terrace, 2014-11-26 Created around the world and available only on the Web, internet television series are independently produced, mostly low budget shows that often feature talented but unknown performers. Typically financed through online crowd funding, they are produced with borrowed equipment and volunteer casts and crews, and viewers find them through word of mouth or by chance. The second in a first ever set of books cataloging Internet television series, this volume covers in depth the drama and mystery genres with detailed entries on 405 shows from 1996 through July 2014. In addition to casts, credits, and story lines, each entry provides a website commentary and episode descriptions. Index of performers and personnel are included.

Writing Desire Bertram Cohler, 2007-05-15 Exploring nearly sixty years of memoir and autobiography, *Writing Desire* examines the changing identity of gay men writing within a historical context. Distinguished scholar and psychoanalyst Bertram J. Cohler has carefully selected a diverse group of ten men, including historians, activists, journalists, poets, performance artists, and bloggers whose life writing evokes the evolution of gay life in twentieth century America. By contrasting the personal experience of these disparate writers, Cohler illustrates the social transformations that these men helped shape. Among Cohler's diverse subjects is Alan Helms whose journey from Indiana to New York's gay society represents the passage of men who came of age in the 1950s and 1960s when homosexuality was considered a hidden disease. The liberating effects of Stonewall's aftermath are chronicled in the life of Arnie Kantrowitz, the prototypical activist for gay rights in the 1970s and the founder of the Gay and Lesbian Alliance against Defamation. The artistic works of Tim Miller and Mark Doty evoke loss and shock during the early stages of the AIDS epidemic in the 1980s. Cohler rounds out this collective group portrait by looking at the newest generation of writers in the Internet age via the blog of BrYaN, who did the previously unthinkable: he outed himself to millions of people.
