originally released as Super Nintendo games Final Fantasy IV and Chrono Trigger Both have been updated and now include cinematic sequences scene recreations and some new options like a new dash feature for quick movement and two player mode in Final Fantasy IV

Gaming Matters Judd Ethan Ruggill, Ken S. McAllister, 2011-05-11 In Gaming Matters McAllister and Ruggill turn from the broader discussion of video game rhetoric to study the video game itself as a medium and the specific features that give rise to games as similar and yet diverse as Pong Tomb Raider and Halo

The Strange Works of Taro Yoko Nicolas Turcev, 2019-05-21 Throughout his career Taro Yoko was despaired by the image of humanity returned by most big budget video games Taro Yoko's strange work reviews the entire career of this extraordinary creator his games Drakengard NieR and sheds light on the link that constitutes his work Check out this complete book on Taro Yoko which explores the contours of its games their development the complexity of their stories and their thematic depth With a preface by Taro Yoko himself

EXTRACT Nowadays most of the players who have heard of Taro Yoko do not associate his name to any particular face Inconvenienced by public appearances the director systematically equipped himself with a device to cover his face during meetings with the press at least since the creation of NieR Shortly before the announcement of NieR Automata at the E3 2015 Yoko even had a mask made based on the character Emil by a plastic artist from PlatinumGames for a mere four hundred euros Since then he has worn it every time he is in the presence of photo and video cameras His persistence in hiding his face under this thick layer of plastic naturally arouses curiosity One might be led to believe that this is a communication strategy or the eccentricity of an enigmatic creator Nevertheless the visual anonymity of the director is in no way a means to nurture the mystery of his personality Far from comparing himself to the likes of Banksy a famous street artist and statement maker who prefers to remain anonymous Yoko just prefers to let his games speak for themselves In fact ask him and he will answer with no difficulty that he grew up in Nagoya in the Japanese prefecture of Aichi Restaurant managers izakayas ramens tempuras etc his parents flitted from one restaurant opening to the next and entrusted their son's education to his grandmother

WHAT CRITICS THINK Overall I enjoyed my time with The Strange Works of Taro Yoko especially as a fan of the man's works It's a great companion piece for long time fans and if you're looking for more unofficial content to read about for the Drakengard universe you can't go too wrong

RPG Site

ABOUT THE AUTHOR Nicolas Turcev Journalist specialized in pop culture he has contributed to the following magazines Chronic Art Carbone Games and Gamekult and occasionally participates in the video game analysis site Merlanfrit He is also the author of several articles of the Level Up collection at Third Editions

Game Design Jim Thompson, Barnaby Berbank-Green, Nic Cusworth, 2007-03-09 Practical complete coverage of game design basics from design process to production This full color structured coursebook offers complete coverage of game design basics focusing on design rather than computer programming Packed with exercises assignments and step by step instructions it starts with an overview of design theory then progresses to design processes and concludes with coverage of design production Jim Thompson Barnaby Berbank Green and Nic Cusworth

London UK are computer game designers and lecturers in animation and computer game design **The Complete Anime Guide** Trish Ledoux, Doug Ranney, 1997 The one stop reference to Japanese animation Everything you ever wanted to know about anime in America More than 1 200 home video titles an alphabetical listing of ever domestic anime home video available during 1996 including video sleeve reproduction program synopsis production credits technical notes and content advisory Television series a review of most of the Japanese animated TV series broadcast in the U S including synopsis cast of characters and production credits Anime suppliers Fan Resources Anime genres **Masculinities in Play** Nicholas Taylor, Gerald Voorhees, 2018-10-06 This volume addresses the persistent and frequently toxic associations between masculinity and games It explores many of the critical issues in contemporary studies of masculinity including issues of fatherhood homoeroticism eSports fan cultures and militarism and their intersections with digital games the contexts of their play and the social futures associated with sustained involvement in gaming cultures Unlike much of the research and public discourse that put the onus of fixing games and gaming cultures on those at its margins women LGBTQ and people of color this volume turns attention to men and masculinities offering vital and productive avenues for both practical and theoretical intervention The Ultimate Guide to Science Fiction David Pringle, 1990 **TLA Film and Video Guide** David Bleiler, 1999 Detailed indexes by star director genre country of origin and theme Lavishly illustrated with over 450 photos Comprehensive selection of international cinema from over 50 countries Over 9 000 films reviewed Up to date information on video availability and pricing Appendices with award listings TLA Bests and recommended films *Nintendo Power*, 2009 *The British National Bibliography* Arthur James Wells, 2006 Game Informer Magazine, 2009 **A Parent's Guide to PlayStation Games** Mark H. Walker, 2001 Featuring new reviews of the latest games this book explains everything a parent needs to know about America s most popular video game consoles the PlayStation 2 and the revamped PlayStation One This exhaustive guide offers parents different ways to cut through the hype with which games are marketed and clarifies the often confusing video game ratings system
