Christopher Stehr,Nina Dziatzko,Franziska Struve,2018-08-01 This book examines the practice of corporate social responsibility CSR in Latin America with a particular focus on Brazil Drawing on historical developments and theoretical reflections alike it introduces readers to the state of the art in Brazilian CSR The authors present a range of regulatory and entrepreneurial frameworks that form the basis for business and CSR activities in Brazil In a number of detailed case studies from various Brazilian institutions and enterprises the book provides revealing insights into the practice of sustainable and

responsible business conduct in this country Subsequent chapters show the effects of anti corruption laws which have since informed corporations compliance agendas and discuss recent massive corruption scandals Generally speaking the book provides a highly informative and practice oriented resource that successfully reconciles an ostensible contradiction corporate social responsibility and Brazil
