

I have a back and legs, but I don't have hair. What am I?

A chair.

I am so simple, that I can only point yet I guide men all over the world. What am I.

Compass.

What word is spelled wrong in the dictionary?

Wrong.

There were 3 girls walking to school. They had 1 umbrella to share. How did they not get wet?

It wasn't raining.

Despite my name, I am not a queen. When you hold me up to things, their length is seen. What am I?

A ruler.

What has hands and a face, but can't hold anything or smile?

A clock.

It has keys, but no locks. It has space, but no room. You can enter, but can't go inside. What is it?

A keyboard.

I can fill a room, but I take up no space. What am I?

Light.

It's the only place in the world where today comes before yesterday. Where is it?

The dictionary.

When is homework not homework?

When it's done at school.

You will always find me in the past. I can be created in the present, But the future can never change me. What am I?

History.

How can the teacher's coat pocket be empty, and still have something in it?

It has a hole.
