

AP Human Geography Summer Project

This project was not meant to be completed in a day (or at 2 am the day before school starts). You should work progressively on this project throughout the summer. You may want to read two chapters per week to stay on track. (10 weeks—20 chapters).

If you have any questions this summer please feel free to contact me at tgeorge@bishopamat.org

Read Geography for Dummies by Charles A. Heatwole. This book will give you a basic foundation for the study of geography. It can be purchased used for about \$5 used or \$21 new on the Amazon or Barnes and Nobles website.

PLEASE FOLLOW ALL DIRECTIONS:

Answer the following questions for each chapter in complete sentences. Use your own words. Answers should be from the book, NOT from other sources such as the internet. This report will be handwritten. When only a term is given (example: "Strabo") you will identify the term in 3-4 sentences. Be sure to include who /what the term is, why he/it is important, and maybe a few of the MOST important facts about the term.

Pay close attention the maps, tables, and figures.

This report should be turned into the instructor on the first day of class in a 2" binder.

There will be a test on this information during the first two weeks of school.

Chapter One:

1. Geography
2. Eratosthenes
3. Strabo
4. Explain how the study of geography changed over the years.
5. Explain why did New Mexico changed its license plates
6. Briefly explain why Nigeria moved their capital city from Lagos to Abuja?
7. Spatial
8. Place
9. How is location different from place?
10. Region

Chapter Two:

1. When thinking geographically, what TWO basic questions are asked?
2. Where are African lions located and why?
3. Where should a gas station be located and why?

Chapter Three:

1. Explain the difference between relative and absolute location. Which is superior?
2. Hipparchus
3. Latitude
4. Longitude
5. The Equator
6. Prime Meridian
7. How did Hipparchus choose the location for the equator?

Human Geography Summer Project:

Experiential Learning in Geography Jonathan E. Wessell, 2025-02-27 This book provides insight into the importance and impacts that experiential learning has in geographic education Like the first book on experiential learning in geography this volume uses the same three areas experience evaluation and encounters as a guide but broadens the examination by looking at many different types of experiential learning There are inherent differences in planning such experiences both domestically and internationally that become evident throughout the text The book stresses the importance of reflection by the student in the learning process and can be used as a guide to planning As such this book is an essential read for students and faculty studying geography education **Research in Education** ,1974 **Resources in Education** ,1999-10
