Hunting the Saturday Night Strangler C. M. Wendelboe, 2018-10-08 Retired homicide detective Arn Anderson tracks a coldblooded killer in this riveting novel of suspense by the author of *Hunting the Five Point Killer* Two innocent victims strangled to death on consecutive Saturday nights Even as they see the pattern emerging retired detective Arn Anderson and TV reporter Ana Maria Villarreal can't seem to convince the Cheyenne police that the killer may strike again Hunting a remorseless murderer leads Arn and Ana Maria down a rabbit hole of ranchers and rustlers But the closer they come to catching the killer the more they're met with suspicion And when their investigation collides with a desperate act of violence they wonder whether they're unwinding the killer's twisted thread of clues or tightening their own noose Praise for *Hunting the Saturday Night Strangler* Effectively combines lurking menace and laid back charm Readers will look forward to Arn's next outing Publishers Weekly Praise for the Bitter Wind Mysteries A slow burning cold case with copious clues conscientious detection a high body count periodic interruptions from the killer's viewpoint and all the pages and pages of unraveling you'd expect from such a generously plotted mystery Kirkus Reviews Wendelboe is a skilled writer who ratchets up the suspense Margaret Coel New York Times bestselling author of *Winter's Child*

Talking with Serial Killers: Sleeping with Psychopaths Christopher Berry-Dee, 2023-08-22 Exclusive first hand accounts of the men and women who have slept with infamous killers in a book praised as terrifying true crime at its best Daily Express Bestselling true crime writer and criminologist Christopher Berry Dee turns his attention to a new kind of victim the wives and partners of serial murderers who remained unaware of exactly who they had fallen for until after their other half's arrest or in some cases conviction Only upon Peter's arrest did Sonia Sutcliffe first discover that her husband was leading a secret existence as the Yorkshire Ripper The wife of the Hillside Strangler only learned of her husband's crimes when state police smashed down her door in search of him When finding out the truth these innocents have to face the grim reality of betrayal and deceit and often experience guilt for not having recognized the killer in their home Christopher Berry Dee speaks directly with killers and their oblivious loved ones to get inside the minds of the men and women who fall for murderers

Psychopath in the Workplace: A Guide for Normal Human Beings Wan Ezrin, 2023-08-23 In

Psychopath in the Workplace A Survival Guide for Normal Human Beings Wan Ezrin delivers a gripping exploration into the enigmatic realm of psychopathy that lurks within the professional landscape With a masterful blend of insight and practical advice Ezrin takes readers on a thrilling journey through the chapters each revealing a facet of the psychopathic mind and its impact on the workplace The journey begins with a riveting introduction that sets the tone for an eye opening exploration Ezrin challenges readers to question their own psychopathic tendencies laying the groundwork for an introspective odyssey In the subsequent chapters the author skillfully dissects the anatomy of a psychopath unraveling the intricate web of factors that mold these enigmatic personalities The revelation that psychopathy does not necessarily equate to violent criminality is a paradigm shifting moment challenging preconceived notions and inviting readers to see beyond the stereotypes Ezrin delves into the crucial importance of identifying psychopathic behavior emphasizing the real world consequences of overlooking these subtle signs As the narrative unfolds readers are equipped with a treasure trove of general advice on navigating the treacherous waters of interaction with psychopaths The workplace emerges as a battleground where these personalities thrive prompting an exploration into the types of psychopaths that infiltrate professional environments The author fearlessly confronts the uncomfortable truth of why companies actively hire psychopaths unraveling the dark motivations that drive such decisions Consequences both personal and organizational are laid bare creating a sense of urgency for readers to arm themselves with the knowledge to safeguard their sanity and success Ezrin doesn t merely stop at highlighting the problem but provides a comprehensive guide on what companies can do to prevent the insidious infiltration of psychopathy into the workplace This section serves as a beacon of hope offering practical solutions and strategies for creating environments resistant to the toxic influence of psychopaths In a daring twist the author raises a thought provoking question about fairness to psychopaths challenging readers to consider the ethical dimensions of our societal perceptions This chapter serves as a powerful conclusion leaving readers pondering the thin line between condemnation and understanding Psychopath in the Workplace is a rollercoaster of revelation a pulse pounding narrative that transcends the boundaries of a mere survival guide Wan Ezrin s compelling prose and incisive analysis transform a seemingly niche topic into a global phenomenon inviting readers to embark on a transformative journey toward empowerment and enlightenment This book is not just a guide it is a call to action destined to become an international bestseller that reshapes our understanding of psychopathy and empowers normal human beings to thrive in the face of adversity

Unveiling the Mask: The Hunt for the Shadow Strangler Pasquale De Marco, 2025-05-11 In the annals of American crime few cases have captivated the public s imagination like that of the Boston Strangler A serial killer who terrorized the city in the early 1960s the Strangler s identity remained a mystery for decades leaving behind a trail of fear and unanswered questions Unveiling the Mask The Hunt for the Shadow Strangler delves into the depths of this infamous case exploring the investigation the victims the suspects and the enduring legacy of this haunting crime Drawing on extensive research and firsthand accounts

this book presents a fresh perspective on the events that unfolded in Boston over half a century ago Through a comprehensive examination of the evidence this book challenges long held assumptions and presents new theories about the identity of the Boston Strangler It also explores the psychological profile of serial killers the impact of the media on the case and the lasting scars that the Strangler s crimes left on the city of Boston Unveiling the Mask is not just about the Boston Strangler it is also about the victims and their families whose lives were forever changed by this tragedy It is about the investigators who worked tirelessly to bring the killer to justice and the journalists who reported on the case shaping public opinion and influencing the course of events Ultimately this book is about the enduring power of evil and the human capacity for both good and evil It is a story that will stay with you long after you finish reading it a reminder of the darkness that can lurk in the shadows and the resilience of the human spirit in the face of adversity Unveiling the Mask The Hunt for the Shadow Strangler is a must read for anyone fascinated by true crime serial killers and the dark side of human nature It is a book that will challenge your assumptions haunt your thoughts and leave you with a newfound appreciation for the fragility of life and the importance of justice If you like this book write a review on google books **The Perversion of Virtue**

Thomas Joiner,2014-02-01 Of the approximately 38 500 deaths by suicide in the U S annually about two percent between 750 and 800 are murder suicides The horror of murder suicides looms large in the public consciousness they are reported in the media with more frequency and far more sensationalism than most suicides and yet we have little understanding of this grave form of violence In The Perversion of Virtue leading suicide researcher Thomas Joiner explores the nature of murder suicide and offers a unique new theory to explain this nearly unexplainable act that murder suicides always involve the wrongheaded invocation of one of four interpersonal virtues mercy justice duty and glory The parent who murders his child and then himself seeks to save his child from a fatherless life of hardship the wife who murders her husband and then herself seeks to right the wrongs he committed against her and so on Murder suicides involve the gross misperception of when and how these four virtues should be applied Drawing from extensive research as well as real examples from the media Joiner meticulously examines deconstructs and finally rebuilds our understanding of murder suicide in such a way that brings tragic reason to what may seem an unfathomable act of violence Along the way he dispels some of the most enduring myths of suicide for instance that suicide is usually an impulsive act it is almost always pre meditated or that alcohol or drugs are involved in most suicides usually they are not Sure to be controversial this book seeks to make sense of one of the most difficult to comprehend types of violence in modern society shedding new light that will ultimately lead to better understanding and even prevention **Hunt** Leona Deakin,2021-03-18 Sometimes to catch a killer you have to become the prey A satisfying and pacey thriller from a talented author J M Dalgliesh author of ONE LOST SOUL

THE THIRD DR BLOOM THRILLER _____ The Foreign Secretary is being held under the Terrorism Act He will answer the police s questions on one condition they let him speak to

Dr Augusta Bloom He asks Bloom to track down his niece Scarlett who hasn't spoken to her family for ten years The last they heard Scarlett was getting involved with Artemis an organisation dedicated to women's rights and the feminist movement led by the charismatic Paula Kunis But as Bloom learns more about Artemis she's torn Is this organisation everything it claims to be or do they have a secret side and an alternative agenda And if so what has become of Scarlett The only way to find out for sure is for Bloom to go undercover But will she make it out safely or will she become the next Artemis woman to disappear

LONGLISTED FOR THE ARNOLD BENNETT BOOK PRIZE READERS LOVE DR BLOOM'S LATEST INVESTIGATION Jam packed with excitement and twists around every corner Once again Leona Deakin has hit the ball out of the park What a gripping book so many brilliant twists and turns This book is unlike any other crime mystery novel that I have ever read A really intense and gripping read Well written and a real page turner I was completely riveted by this book **Hunting**

Serial Predators Grover Maurice Godwin, 2018-01-18 The majority of the available published accounts of serial murderers are not in scholarly or technical publications Even such few academic reviews as do exist typically commence with reference to fictional accounts so that the profile of a serial murderer is typically far from clear or precise **Hunting Serial Predators** is unique in that each chapter written in detail explains how to research and interpret psychologically the crime scene actions of serial killers The book provides the reader an empirical facet model of the crime scene actions of American serial murderers based on information available to a police inquiry an overview of the related scientific knowledge introducing a new method to classify the serial predator and accounts of the process and difficulties of profiling the serial murderer By presenting a classification model of serial murderers and their crime scene behaviors based on empirical and repeatable studies this book makes significant advances in the areas of police investigations etiology and treatment possible The empirical process used to analyze serial murderers crime scene actions described in **Hunting Serial Predators** makes it possible to make logical decisions about how to detect apprehend and eventually assess their dangerousness Being Amoral Thomas Schramme, 2014-08-29 Investigations of specific moral dysfunctions or deficits that shed light on the capacities required for moral agency Psychopathy has been the subject of investigations in both philosophy and psychiatry and yet the conceptual issues remain largely unresolved This volume approaches psychopathy by considering the question of what psychopaths lack The contributors investigate specific moral dysfunctions or deficits shedding light on the capacities people need to be moral by examining cases of real people who seem to lack those capacities The volume proceeds from the basic assumption that psychopathy is not characterized by a single deficit for example the lack of empathy as some philosophers have proposed but by a range of them Thus contributors address specific deficits that include impairments in rationality language fellow feeling volition evaluation and sympathy They also consider such issues in moral psychology as moral motivation moral emotions and moral character and they examine social aspects of psychopathic behavior including ascriptions of moral responsibility justification of moral blame and social and legal responses to people perceived to be

dangerous As this volume demonstrates philosophers will be better equipped to determine what they mean by the moral point of view when they connect debates in moral philosophy to the psychiatric notion of psychopathy which provides some guidance on what humans need in order be able to feel the normative pull of morality And the empirical work done by psychiatrists and researchers in psychopathy can benefit from the conceptual clarifications offered by philosophy
