Teaching Students to Dig Deeper Ben Johnson, 2017-09-18. What does it really mean for students to be college and career ready? In this new edition of *Teaching Students to Dig Deeper*, Ben Johnson identifies the ten attributes students need for success according to key research: the College Board, the ACT, and rigorous state standards. In order to thrive beyond high school, students must become Analytical thinkers, Critical thinkers, Problem solvers, Inquisitive, Opportunistic, Flexible, Open minded, Teachable, Risk takers, Expressive. But how? Johnson offers the answers, providing practical strategies and techniques for making the ten attributes come alive in the classroom, no matter what grade level or subject area you teach. With the book's strategies and tools, you will be inspired, armed, and ready to help all of your students think on a deeper level and expand their learning.

Kiss and Say Goodbye Charles Harvey, 2023-11-28. *KISS AND SAY GOODBYE* captures the soul of 1976 at Garvey High, where the heat isn't just from the summer sun but from the spark of hidden desires and whispered possibilities. John Henry James is more than just a senior with his eyes set on graduation; he's got his heart tuned to a different frequency, one where daydreams of Alphonse Patterson resonate with the clarity of a love song yet to be written. In this tale, it's the subtle glances, the secret wishes, and the what ifs that color John Henry's world as he navigates the highs and lows of youth. Steamy daydreams of shared showers under waterfalls are his escape, a fleeting moment where the grit of reality is washed away, leaving nothing but the shine of what could be. Away from prying eyes, John Henry's thoughts of Alphonse are his to cherish, a sacred melody that dances in his mind far from the harsh buzz of high school gossip. His longing is a quiet anthem of hope and courage in a world still learning to embrace the full spectrum of love. In *KISS AND SAY GOODBYE*, the courage to love openly is as daring and bold as the era itself. It's a tribute to the enduring spirit of first love and the power of dreams that dare to defy the boundaries set by the world. Join John Henry on his journey of self-discovery and affection, a journey that promises the sweet ache of youth and the radiant dawn of something more. This isn't just a story of the past; it's a testament to the timeless adventure of finding oneself and the joy of a love that dares to whisper its name.

Excerpt Chapter 1: In a moment, John Henry and his classmates saw and heard the car coming, big and candy red, a Deuce and a quarter with its white top glimmering under the sun. Some of the boys climbed the fence to scramble away from their fate. Girls clutched their books, turned their faces, and squeezed their bodies to brace themselves. They were penned
