Hatching Results for Secondary School Counseling Trish Hatch, Whitney Triplett, Danielle Duarte, Vanessa Gomez, 2019-04-25 School counseling that makes a difference for all students As a secondary school

counselor you're charged with implementing a comprehensive program to promote the academic, college career and social emotional development for all students. This means developing school counseling core curriculum classroom lessons, delivering engaging content to students and families, managing classroom behaviors, providing and analyzing assessments, and sharing the results with stakeholders. The good news is that you don't have to do it alone. In this guide, four experienced school counselors, national leaders, and expert trainers take you step by step through the creation, implementation, and evaluation of a high quality Tier 1 school counseling system of supports. With a focus on proactive and prevention education through core curriculum classroom lessons, individual student planning, and schoolwide programs and activities, this practical text includes:

- The school counselor's role in a Multi-Tiered System of Supports
- Examples to help with design, implementation, and evaluation of Tier 1 school counseling activities
- Instruction around selecting curriculum and developing lesson plans and action plans
- Strategies for managing student behaviors in the classroom aligned to the school counselor's appropriate role
- Alignment with the ASCA National Model
- Vignettes from practicing secondary school counselors
- Recommendations for including families in prevention activities
- Management tools, reproducible templates, and reflective activities and process questions

You teach the academic, college career and social emotional competencies students need to be successful learners. With this book's expert assistance, you'll be prepared to not only help them succeed but also demonstrate to others the impact of the school counseling program on student achievement.
