Not Acceptable Marijke T Moerman, 2025-06-05 A succinct and easy to read description of bullying behaviour in the workplace this book provides

focused background information about the challenging interpersonal and intrapersonal relationships of the bullying drama The text is presented in three parts Part I The bullying phenomenon Part II Narratives of those affected by workplace bullying and Part III Bullying and the law Part I focuses on the complex and multifaceted dynamics of workplace bullying The environment in which bullying can take place with emphasis on the bully the target victim and the bystander The different types of bullying the effects on employees and the consequences on the organisation are discussed In Part II the real narratives of six individuals who have experienced workplace bullying are presented Their account is followed with a reflection and commentary by each participant Since the voices of the bullied are seldom heard it is important to appreciate and understand the impact of bullying behaviour at work through the narratives of the six participants who all give a meticulous account of their own experiences These full and often painstaking accounts shed light on the impact of seemingly insignificant behaviours and the difficulty therein to raise concerns The hidden complexities of workplace bullying behaviour are laid bare As the legal aspect in relation to workplace bullying may not initially enter a therapy session or a discussion by others surrounding a bullying episode it may at some point arise when an adverse situation is taken further and ends in an industrial tribunal Therefore in Part III employment laws with respect to discrimination and harassment are discussed across comparable jurisdictions The book ends with some useful websites and recommended reading This work is highly recommended for managers supervisors and leaders be it in the public sector e g healthcare and education or the corporate world and also therapists and management consultants It is also a must read for those who have experienced or are experiencing bullying at work to show them they are not alone and give them tools to deal with the repercussions of such behaviour
