Shaolin Temple Kung Fu Manual Thomas Smith,1996-09-03 Shaolin Temple Kung Fu Overview Shaolin Kung Fu was created by combining Buddhist Yogic and Taoist influences originally established within the Shaolin Tradition at the Shaolin Temple in Honan by Bodhidharma in 500 A D Original Shaolin Kung Fu evolved and was perpetuated until now in secrecy by

the priest and monks at the several main Shaolin Temples that had been established through the centuries The only times the Shaolin martial arts were taught outside the temple was when the rulers of China became ruthless in their treatment of the Chinese people These teachings were pretty much limited to what the people needed to successfully revolt A large amount of the original Shaolin teachings influences and origins were never presented to anyone but the monks These missing Shaolin influences include some self defense methods and strategies much of the physical health training methods and almost none of the spiritual Yogic and Buddhist influences These missing influences have been made available to us from the existing original Shaolin who are in exile in Taiwan from the violent communist takeover of the Chinese mainland in 1949 Also from Shaolin who were operating in Tibet prior to the violent invasion and takeover by the communist Chinese of Tibet in 1950 Since World War II the communist Chinese have effectively eliminated the ancient Taoist Buddhist and Shaolin knowledge and spiritual belief systems on the mainland due to their commitment to obtaining a modern industrial atheist society This communist influence has been responsible for considerable additional loss of the Shaolin influence on Chinese kung fu Chinese kung fu is now called Wu Shu and has become acrobatic as it lost its efficient martial influences Another unacceptable exception was made at the Shaolin Temple at Honan where due to the income from tourism they have allowed some modern Buddhism to be presented for the tourists as Shaolin This book breaks the norm of modern kung fu manuals in that it presents and explains these missing Shaolin influences *Kung-fu manual* ,1999 *Kung-fu manual* ,1999
