

The background of the cover features a detailed, high-resolution image of a printed circuit board (PCB). The board is a golden-brown color, with intricate patterns of copper traces and numerous circular solder pads. Several small, dark electronic components are visible, mounted on the board. The top and bottom edges of the cover are framed by a wavy, horizontal band that transitions from a light cream color to a darker, more saturated orange-brown, creating a sense of depth and movement.
