Three Parts:

1. A quotation or statement to read.

Read the following quotation:

You gain strength, courage, and confidence by every experience in which you really stop to look fear in the face. You are able to say to yourself, 'I lived through this horror. I can take the next thing that comes along.'

—Eleanor Roosevelt

2. Something to think about.

Think carefully about the following statement:

Although many people face different situations that require courage, there are few people who choose to act with courage.

3. The actual writing prompt.
