The book explains the camera's numerous features for professional level videography including Picture Profiles that allow adjustment of settings such as gamma curve, black level, knee, and detail. The book describes the steps for recording 4K video to an external video recorder using the clean video output from the camera's HDMI port. In three appendices, the book discusses accessories for the RX10 III including cases, power sources, remote controls, microphones, and external flash units, and includes a list of websites and other resources for further information. The book includes an appendix with quick tips on how to take advantage of the camera's features in the most efficient ways possible. This guide to the RX10 III includes a detailed index so the reader can quickly find needed information about any particular feature or aspect of the camera.

Final Cut Pro Workflows Jason Osder, Robbie Carman, 2012-08-21 Today's digital production tools empower the small team to produce multimedia projects that formerly required large teams. Orchestrating a production requires more than proficiency with the postproduction tools. *Final Cut Pro Workflows: The Independent Studio Handbook* offers a cookbook of postproduction workflows that teams can follow to deliver an array of products to their clients. It describes appropriate postproduction workflows, team roles and responsibilities, and required equipment for some of the most common media productions. Combining the wisdom of traditional roles and responsibilities with an understanding of how FCP facilitates a new flexibility where these roles and responsibilities can be redistributed, this book sheds light on workflow processes and responsibilities and includes 7 real world workflows from a diverse range of projects: Money Saving Digital Video Archive, Long Form Documentary with Mixed Sources, Web Based Viewing and Ordering System, 30 Second Spot for Broadcast, Multi Part TV Series with Multiple Editors, DVD Educational Supplement, Music Video with Multi Cam Editing and Multiple Outputs. The book also provides access to a companion website that features additional electronic chapters focusing on Final Cut

Server Apple's powerful new media asset management and workflow automation software Written with a unique iconography to better convey key points and applicable to all levels of FCP users Final Cut Pro Workflows The Independent Studio Handbook is a vital reference tool for every postproduction house
