The Psychology of Sex (Vol. 1-6) Havelock Ellis,2020-12-17 This edition contains three studies which seem to me to be necessary prolegomena to that analysis of the sexual instinct which must form the chief part of an investigation into the psychology of sex The first sketches the main outlines of a complex emotional state which is of fundamental importance in sexual psychology the second by bringing together evidence from widely different regions suggests a tentative explanation of facts that are still imperfectly known the third attempts to show that even in fields where we assume our knowledge to be adequate a broader view of the phenomena teaches us to suspend judgment and to adopt a more cautious attitude So far as they go these studies are complete in themselves their special use as an introduction to a more comprehensive analysis of sexual phenomena is that they bring before us under varying aspects a characteristic which though often ignored is of the first importance in obtaining a clear understanding of the facts the tendency of the sexual impulse to appear in a spontaneous and to some extent periodic manner affecting women differently from men This is a tendency which later I hope to make still more apparent for it has practical and social as well as psychological implications Here and more especially in the study of those spontaneous solitary manifestations which I call auto erotic I have attempted to clear the ground and to indicate the main lines along which the progress of our knowledge in these fields may best be attained

Giallo Cinema and Its Folktale Roots Michael Sevastakis,2016-07-19 The Italian giallo film genre the equivalent of the American whodunit but incorporating extreme violence and sex was based on popular British and American fiction of the 30s and 40s adapted to the explicitly liberal filmmaking of 1970s and 1980s Europe Seldom released in American theaters these films were usually distributed as redacted bootlegs awaiting digital technology to be restored to their original content and pristine visual form This book analyzes the censored sex and violence of giallo films finding in them an inherent beauty and tracing their literary antecedents to the elements of the fairy tale as described by Russian folklorist Vladimir Propp Each chapter covers a film and its director from 1962 to 1987 The author argues that despite their formulaic production and designation as Euro sleaze these films are works of individuality and artistic virtue

Haunted Hearths & Sapphic Shades Catherine Lundoff,2008 Early ghost stories are filled with characters that can be read as coded lesbians maiden aunts and spinsters lurking at the fringe of mortal life In this collection 17 authors have spun lesbian ghost stories that vary from the eerie to the romantic Adult Fiction

Dreaming in Byzantium and Beyond George T. Calofonos, 2016-05-13 Although the actual dreaming experience of the Byzantines lies beyond our reach the remarkable number of dream narratives in the surviving sources of the period attests to the cardinal function of dreams as vehicles of meaning and thus affords modern scholars access to the wider cultural fabric of symbolic representations of the Byzantine world Whether recounting real or invented dreams the narratives serve various purposes such as political and religious agendas personal aspirations or simply an author's display of literary skill It is only in recent years that Byzantine dreaming has attracted scholarly attention and important publications have suggested the way in which Byzantines reshaped ancient interpretative models and applied new perceptions to the functions of dreams This book the first collection of studies on Byzantine dreams to be published aims to demonstrate further the importance of closely examining dreams in Byzantium

in their wider historical and cultural as well as narrative context Linked by this common thread the essays offer insights into the function of dreams in hagiography historiography rhetoric epistolography and romance They explore gender and erotic aspects of dreams they examine cross cultural facets of dreaming provide new readings and contextualize specific cases they also look at the Greco Roman background and Islamic influences of Byzantine dreams and their Christianization The volume provides a broad variety of perspectives including those of psychoanalysis and anthropology

Men of the White Sandy
Vol. 1 Sarah M. Anderson, 2020-09-23 Welcome back to the White Sandy where the cowboys are the Indians but they also drive pickup trucks have cell phones and occasionally advanced degrees Change is coming to the White Sandy reservation will the men of the Lakota tribe find their place in this new world with their women by their sides The Medicine Man The White Sandy Reservation needs a doctor and Madeline Mitchell needs to do a little good in the world It seems like a perfect fit until she meets the medicine man Rebel Runs Fast As far as Madeline can tell Rebel's sole mission is to convince her patients that modern medicine can't help them And the fact that he makes her heart race every time he looks at her only irritates her more Rebel swore off the white man's world and women years ago But he's never met a woman like Dr Mitchell She doesn't speak the language understand the customs or believe he's anything more than a charlatan but she stays determined to help his people He tries to convince himself that his tribe doesn't need her but when patients start getting sick with strange symptoms he realizes that he needs her more than ever Originally published as Mystic Cowboy 2013 The Rancher Mary Beth is the kind of woman who wishes she had a five second delay on her mouth The swath of verbal destruction she leaves is why she goes west to start over But any resolve to hold her tongue is lost immediately when she meets Jacob a Lakota cowboy who says next to nothing especially about the black leather mask that covers half his face Jacob's silence is his armor in a white man's world but even that isn't enough to protect him or the mute girl he guards from forces he can't control Fascinated by the masked cowboy and drawn to defend the girl Mary Beth finds herself in the middle of a decades old power struggle that only she could talk her way out of Originally published as Masked Cowboy 2013 The Shadow Nobody Bodine is a nobody who came from a nobody and will always be a nobody He disappears into the shadows no one sees him if he doesn't want them to He exists in neither the white man's world nor the tribe's dispensing vigilante justice when he sees fit Until Melonie Mitchell shows up on the rez From the first moment he lays eyes on her he can tell there's something different about her For the first time in his life Nobody feels like a somebody in her eyes Melonie has come west to run the new day care on the White Sandy Reservation When she discovers that Nobody a self appointed guardian angel for the boy in her care she's intrigued But how far will he go to keep the boy safe And will she be able to draw him into the light Originally published as Nobody 2015
