The indiscreet doctor Manuel García,2025-07-21 In these raw and uncompromising stories desire emerges from silence challenge and friction between bodies between men Manuel Garc a explores erotic tension where it often hides behind masculine pride in shared glances in the weight of what remains unsaid His men are real virile hard working often rough But when need surfaces it does so with heat power and no apologies The Indiscreet Doctor the title story begins with a simple case of back pain and ends in a moment that reshapes the narrator s understanding of his own body Dr Becker a stoic broad shouldered physiotherapist offers more than just clinical relief In the silence of the treatment room under hands that know where to press and how deep to go boundaries blur and something raw awakens Undress and lie down he said handing me a towel His hands were strong calloused but precise I felt the weight of them on my back the heat of his skin near mine A murmur of pain A slow pull of pleasure And when I woke confused and aroused my body remembered something I couldn t explain only feel These are stories where masculinity isn t just performed it s lived in sweat in discomfort in need Where arousal doesn t ask for permission and tenderness hides behind firm hands and silent gazes The Indiscreet Doctor is not romance It s carnal memory the kind that stirs again when the door closes and you re finally alone **Banged by Blitz**
