lives of those who hear it      *Juniper* Thomas French, Kelley French, 2016-09-13 A micro preemie fights for survival in this extraordinary and gorgeously told memoir by her parents both award winning journalists Juniper French was born four months early at 23 weeks gestation She weighed 1 pound 4 ounces and her twiggy body was the length of a Barbie doll Her head was smaller than a tennis ball her skin was nearly translucent and through her chest you could see her flickering heart Babies like Juniper born at the edge of viability trigger the question Which is the greater act of love to save her or to let her go Kelley and Thomas French chose to fight for Juniper's life and this is their incredible tale In one exquisite memoir the authors explore the border between what is possible and what is right They marvel at the science that conceived and sustained their daughter and the love that made the difference They probe the bond between a mother and a baby between a husband and a wife They trace the journey of their family from its fragile beginning to the miraculous survival of their now thriving daughter      *Daughters of Babylon* Robin L Gooden, 2007-05 Generations lay claim to their souls Can these daughters overcome In the southern United States while freedom rang for those afore that was bound by slavery Tara Bell Betty Mae Daughter and Lanel's journey to freedom was just getting started Even as Tara Bell Betty Mae and Daughter wrestled to find their own identities in the mist of puberty a generation of tragedy and curses pursued them For Daughter a mother's love was taken away and replaced with resentment and contempt Tara Bell silently mourned a father who walks out of his only child's life perhaps chased away by the demons of an emotionally dysfunctional wife Abandoned as an infant Betty Mae fights for her right to be loved and encounters sexual bondage after being seduced and abused by the good Reverend Lanel Wayne or Boston as she is affectionately called becomes shelter for those wounded and battles with the loss of her husband and letting go of the hate that might drive her to kill the one she considers responsible Through each woman's hardship friendship and family become the keys to survival God's plan for all of their lives involves a covenant that will transcend generations to come      **Love, Marriage & Infidelity** Vivian Blue, 2016-12-22 When you're in Love you get married But sometimes when you have hidden secrecies like Infidelity or even your Marriage it can have a way of making you behave crazily Just take Diego and Tiffany for example They were teenage lovers that got caught up in the heat of passion and made a baby Diego was taught to be honorable so he married Tiffany so their child wouldn't be a bastard However there's a catch to this situation Diego was supposed to be marrying his long time girlfriend Sophia And their families have a legally bound contract to prove it Josie and Kennedy have been together for many years They've been married and had two beautiful daughters that they both love and adore It was always an up hill battle with these two because Josie's heart was never fully committed to just her husband And when she decides to leave Kentucky to go back to St Louis to help her little sister Tiffany with her newborn baby Things can get a little tricky when Levi comes a calling because he was Josie's fake husband And he never got over the fact that she left him and married Kennedy Sometimes Love can conquer one's heart and it causes them to question everything they've ever known in their life Sometimes Marriage isn't always going to help solve the deep rooted

issues that linger from the past that tend to come back to show their ugly heads And sometimes the pressure against the cracks in Love and Marriage causes Infidelity What will happen when all else fails **Junebug** Maureen McCoy,2004 Junebug is a rare and special book one of those mysterious and totally original inventions that summon attention because they are so unique It is as American as the Great Plains as poignant as Carson McCullers at her best and imbued with the deeply affecting and poetical heart song of its lonely and quirky narrator Maureen McCoy writes like an angel full of passion musical cadence and offbeat curious insights into the human soul This novel is a deeply touching prayer for all the wild and beautiful misfits on earth including you and me John Nichols Author of The Milagro Beanfield War *Promises of Home* Jeff Abbott,2009-02-04 In a small Texas town murder brings home the unforgotten past Twenty years ago as Hurricane Althea lashed Central Texas twelve year old Jordan Poteet and his friends decided to ride it out in their tree house But in the still eye of the tempest they raced for safety and stumbled over the body of a beautiful girl Now the six schoolmates who shared the grisly sight of death so long ago are being coolly murdered one by one day by day By whom Why Unless Jordan and Police Chief Junebug Moncrief another survivor of the storm can answer those questions fast it will be their turn to die *Hers to Heal* Vonnie Davis,2016-11-22 In this powerful sensual romance from the author of Her Survivor a broken woman meets a shattered warrior and discovers a passion strong enough to heal each other s deepest wounds Navy SEAL Reece Browning sacrificed body and soul in the line of duty He survived torture at the hands of America s enemies but lost his career and his voice in the process Traumatized and desperate to get his PTSD under control Reece escapes to Eagle Ridge Ranch Under the big Texas sky he finds peace a renewed sense of purpose and a woman who makes him feel like a man again Her smile lights up his dark days and her caress helps him forget the night terrors Ex Marine Gina Wilson also bears painful scars emotional wounds inflicted by men she once trusted with her life She has fought hard to overcome her demons and build a good life for her daughter and Reece is too intense too damaged too raw to let into her heart Yet she s drawn irresistibly to his steely gaze and heated embrace No one else understands what it s like to suffer in silence And when Gina s daughter is threatened it s Reece who risks everything to save the day Advance praise for *Hers to Heal* *Hers to Heal* is a wonderful story of two veterans Reece and Gina learning to overcome heal and trust again Vonnie Davis handles their heartfelt journey with the right mix of humor and grace to make it a memorable addition to her fabulous series New York Times bestselling author Donna Michaels In *Hers to Heal* author Vonnie Davis gets down to the nitty gritty of what it s like for our returning vets and delivers the happily ever after they deserve The sexy Navy SEAL of *Hers to Heal* along with his lady love and the cutest little girl ever will break your heart one minute and have you laughing out loud the next Dixie Lee Brown author of the Trust No One series A wounded warrior struggling to heal A single mother hoping to overcome hurts from the past Add in a precocious six year old and Davis s characters leap off the page into your heart AJ Nuest author of the award winning Golden Key Chronicles and Golden Key Legacy *Hers to Heal* has perfected the recipe for a heartwarming and emotional read And with a

**Drive-By** Gary Rivlin, 2014-09-30 Although the dreadful toll of random violence is often reported rarely do we glimpse the human element behind it News reports keep the tally of homicides but as the occurrence of such violence increases so does its facelessness Drive by shootings are almost definitively anonymous there are no fingerprints no fibers no hairs nor any other telltale clues typical of most crime scenes There is usually no hard evidence beyond ballistics and a car description so generic it is virtually useless In Drive By Gary Rivlin penetrates the anonymity of one such incident and creates an extraordinary portrait of the people entangled in it He takes us behind the headlines and through bold investigative reporting finds the individuals so often left out of the story In this real life narrative we meet the teens who on Sunday the eighth of July were involved in a scuffle over a bicycle and on the ninth became murderers and victims By presenting the story of this murder in human terms Rivlin challenges the stereotypes and indifference that allow the problem of inner city violence to escalate
