Simply gorgeous. Jennifer L. Holm, New York Times bestselling author of *Turtle in Paradise* Nest speaks to the heart. I wanted to put my arms around Chirp and never let go. Holly Goldberg Sloan, author of *Counting by 7s* and *I'll Be There* I loved the book. It's so tender and touching, and real. Chirp is a marvelous character and Joey's just plain lovable. **The Year We Studied Women** Bruce Snider, 2003 In this intimate first collection, Bruce Snider explores the intricacies of memory, loss, and identity in poems about everything from algebra to sperm to lipstick. A farmer finds the body of a dead child; a boy watches his mother get ready for a date; a woman with cancer shops for a wig; an overweight sister shares a cupcake with her little brother. In the book's longest and most complex poem, a tarot card reading excavates the relationship between a son and his distant, often violent father. Sometimes funny, always big-hearted and inventive, Snider catalogues the minutiae of daily life with language that is plainspoken yet strongly imagistic, weaving together both public and private moments as he maps one man's longing for transformation. It's an attempt to reconcile it all: past and present, fear and desire, self and sexuality, making the barest symbols of maleness and femaleness into their own deeply personal language.
