Four patients in labor all request epidural analgesia to manage their pain at the same time. Which ethical principle is compromised when only one nurse anesthetist is on call? - answers-Justice

Justice refers to fairness and is used frequently in discussion regarding access to health care resources.

The patient tells the nurse that she is afraid to speak up regarding her desire to end care for fear of upsetting her husband and children. Which principle in the nursing code of ethics ensures that the nurse will promote the patient's cause? - answers-Advocacy

A nurse's ability to adequately advocate for a patient is based on the unique relationship that develops and the opportunity to better understand the patient's point of view.

The patient's son requests to view the documentation in his mother's medical record. What is the nurse's best response to this request?

a.

"I'll be happy to get that for you."

b.

"You will have to talk to the physician about that."

c.

"You will need your mother's permission."

d.

"You are not allowed to see it." - answers-c.

"You will need your mother's permission."

When people work together to solve ethical dilemmas, individuals must examine their own values. This step is crucial to ensure that
