## **Gospel Advocate Store Nashville Tn:**

Gospel Advocate, 1904      For Duty and Honor Timothy D. Johnson, 2024-01-12 The outbreak of the American Civil War was destined to cast a long shadow over the earlier shorter Mexican American War 1846 1848 as evidenced by today's relatively slight historiography on the conflict As for Tennessee's role in the war history remembers little more than its large contribution of volunteers and subsequent state moniker as The Volunteer State Today beliefs persist that the Mexican American War was simply a colossal land grab for the United States in its pursuit of the doctrine of Manifest Destiny and that Tennesseans enlisted to protect and expand the institution of slavery As Timothy D Johnson notes in For Duty and Honor these stereotypes do not characterize the motives of Tennesseans Through a succinct examination of journals memoirs and letters from the conflict Johnson reveals that Tennesseans volunteered out of a sense of duty and honor principles that were deeply embedded in the early national period They also enlisted because of family and community expectations as well as a desire to demonstrate manhood and courage In the process Johnson provides much needed historical and political context for the Mexican American War For Duty and Honor treats not only Tennessee's unique role in the conflict but also the postwar efforts by veterans to shape the war's legacy Using clear accessible language and groundbreaking research Johnson resurrects an all but forgotten moment in Tennessee's rich history      **Show Us How You Do It** Edward J.

Robinson, 2008-05-21 A major figure in southern black restorationist church history      History of Nashville, Tenn. ... John Wooldridge, 1890      **People of the Upper Cumberland** Michael E. Birdwell, William Calvin Dickinson, 2024-01-12 Unified by geography and themes of tradition and progress the essays in this anthology present a complex view of the Upper Cumberland area of Tennessee and Kentucky a remote and in some ways mysterious region and its people The distinguished contributors cover everything from early folk medicine practices Opless Walker to the changing roles of women in the Upper Cumberland Ann Toplovich to rarely discussed African American lifeways in the area Wali R Kharif The result is an astonishingly fresh contribution to studies of the Upper Cumberland area Randall D Williams's essay on the relatively unknown history of American Indians in the region opens the collection followed by Michael Allen's history of boating and river professions on the Cumberland River Al Cross and David Cross illuminate the Republican politics of the Kentucky section of the Upper Cumberland while Mark Dudney provides a first of its kind look at the early careers of distinguished Tennesseans Cordell Hull and John Gore Equally fresh is Mary A Evins's examination of the career of Congressman Joe L Evins and coeditor Michael E Birdwell and John B Nisbet III contribute an in depth piece on John Catron the Upper Cumberland's first Supreme Court justice Troy D Smith's essay on Champ Ferguson sheds new light on the Confederate guerilla Birdwell's second contribution an exploration of the history of moonshine provides insight into a venerable Cumberland tradition Pairing well with Walker's essay Janey Dudney and coeditor W Calvin Dickinson discuss the superstitions faced by early Upper Cumberland medical professionals Closing out the grouping of medical articles is

Dickinson's second chapter which tells the story of Dr May Cravath Wharton and her contribution to the region's health care. Laura Clemons explores the relationship between composer Charles Faulkner Bryan and his gifted African American pupil J Robert Bradley during the Jim Crow era. Birdwell's third chapter and the collection's final essay examines race relations in the Upper Cumberland. Offering a broad look at one of the most understudied regions of the Volunteer State, this significant addition to Tennessee history will prove insightful for students and academics with interdisciplinary and cross historical interests. Michael E Birdwell is a professor of history at Tennessee Technological University and the author of several books including *Celluloid Soldiers: Warner Bros's Campaign against Nazism* and *Rural Life and Culture of the Upper Cumberland*. W Calvin Dickinson is a professor emeritus of history at Tennessee Technological University. He is the author and editor of several books including *Sister States*, *Enemy States: The Civil War in Kentucky and Tennessee* and *Tennessee State of the Nation*, now in its second edition.
