Sharp,2024-04-30 Our philosophies and perils of wisdom related to our lifetime highlights will be shared with the reader in the pages ahead I S L Sharp will adorn the chapters with poetry and song lyrics to enhance our philosophies in our book entitled GAZING INTO OUR CRYSTAL BALL W R Sharp through his written essays stories and philosophies will try to give you a glimpse of his many travels highlights of his science career and stories of his moments with his loved ones which will provide our readers insight into his in depth knowledge And hopefully the stories and expressions of feelings through the reading of my poetry and lyrics will bring happiness and awareness of beauty to our readership As my co author my brother W R Sharp wrote in one of his essays Welcome to the Eighty Teens He too was welcomed to this age by cataracts and dental complications However he felt that these golden years should be celebrated as we gaze into our own crystal ball of life He thinks life is a journey and it is always spinning as if encapsulated in a fortune telling crystal ball It encounters multiple experiences opportunities transitions challenges and obstacles as we march through time toward our afterlife Nevertheless

life can be quite fulfilling and coming of age is a continuous process facing all of us who live a long life In this ball the most important transformations involve coming of age in its earlier stages in one s education career pathway partnerships parenting or mentoring skills of others post careers retirement and facing our afterlife The latter changeover is especially challenging for those without partners and children unless in the crystal ball of life they prospered from self love and independence Fortunately the existence of public and private retirement facilities will accommodate some of these retirees The two of us have always imagined the existence of an afterlife metaverse as we march forward in our lives Optimistically we both hope to be able to learn lessons in the spinning ball from our present lives and accomplishments and in our next life accomplish all of our unaccomplished earthly goals Maybe if you the reader gaze closer at your own life s crystal ball you will see that your life turns out the way it was meant to be whether it is happy or sad Who knows The magic of it all is that you were able to live on this earth for just a blink of an eye no matter what your real life s experiences were on this life altering planet And on the day when you finally transition into the mysterious afterlife a new window of opportunities will unfold for you to explore that will be overwhelming to you At that time you will have the freedom to embrace new possibilities for yourself that were not accessible to you during your existence on this Earth

The History and Anatomy of Auctorial Self-criticism in the European Middle Ages Anita Obermeier,1999 This study outlines the history and anatomy of the European apology tradition from the sixth century BCE to 1500 for the first time The study examines the vernacular and Latin tales lyrics epics and prose compositions of Arabic

English French German Greek Icelandic Italian Spanish and Welsh authors Three different strands of the apology tradition can be proposed The first and most pervasive strand features apologies to pagan deities and later to God The second most important strand contains literary apologies made to an earthly audience usually of women A third strand occurs more rarely and contains apologies for varying literary offenses that are directed to a more general audience The medieval theory of language privileges an imitation of the Christian master narrative and a hierarchical medieval view of authorship These notions express a medieval philosophical concern about language and its role and therefore the role of the author in cosmic history Despite the fact that women apologize for different purposes and reasons their examples illustrate on yet another level the antifeminist subtext inherent in the entire apology tradition Overall the apology tradition characterized by interauctoriality intertextuality and intratextuality enables self critical authors to refer not only backward but also primarily forward making the medieval apology a progressive strategy that engenders new literature This study would be relevant to all medievalists especially those interested in literature and the history of ideas **The Bloody Hoax** Sholem

Aleichem,1991 Novel portraying Jewish life in a Russian city prior to WWI *Hospitality and Treachery in Western Literature* James A. W. Heffernan,2014-05-27 In works of Western literature ranging from Homer's *Odyssey* to Albee's *Who's Afraid of Virginia Woolf* the giving and taking of hospitality is sometimes pleasurable but more often perilous Heffernan traces this leitmotiv through the history of our greatest writings including Christ's Last Supper Macbeth's murder of his royal guest and Camus's short story on French colonialism in Arab Algeria By means of such examples and many more this book considers what literary hosts hostesses and guests do to as well as for each other In doing so it shows how often treachery rends the fabric of trust that hospitality weaves *Himalayan Voices* Michael J. Hutt,1991-07-29 While the natural splendor of Nepal has been celebrated in many books very little of the substantial body of Nepali literature has appeared in English translation *Himalayan Voices* provides admirers of Nepal and lovers of literature with their first glimpse of the vibrant literary scene in Nepal today An introduction to the two most developed genres of modern Nepali literature poetry and the short story this work profiles eleven of Nepal's most distinguished poets and offers translations of more than eighty poems written from 1916 to 1986 Twenty of the most interesting and best known examples of the Nepali short story are translated into English for the first time by Michael Hutt All provide vivid descriptions of life in twentieth century Nepal Although the days when Nepali poets were regularly jailed for their writings have passed until 1990 the strictures of various laws governing public security and partisan political activity still required writers and publishers to exercise a certain caution In spite of these conditions poetry in Nepal remained the most vital and innovative genre in which sentiments and opinions on contemporary social and political issues were frequently expressed While the Nepali short story adapted its present form only during the early 1930s it has rapidly developed a surprisingly high degree of sophistication These stories offer insights into the workings of Nepali society into caste agrarian relations social change the status of women and so on Such insights

are more immediate than those offered by scholarly works and are conveyed by implication and assumption rather than analysis and exposition This book should appeal not only to admirers of Nepal but to all readers with an interest in non Western literatures Himalayan Voices establishes for the first time the existence of a sophisticated literary tradition in Nepal and the eastern Himalaya Gifts from the foot of the Cross Gary Robert Villani,2018-06-21 Gifts from the foot of the Cross By Gary Robert Villani This volume came to fruition at the request of attendees from many of the Sunday school classes the author has led over the past twenty years The majority of spiritual messages contained in this book came directly from the support material prepared for these sessions which ultimately led to class members stating You ve got to put that on paper Gifts from the foot of the Cross is not a devotional The underlying theme of the book is simple and direct it is designed to reach the everyday Christian and let them know they are not alone in facing the stumbles slips trips and falls they may be experiencing in their daily spiritual walk Additionally there are numerous suggestions on how to successfully avoid these pitfalls and each entry is backed by Biblical passages It is Gary s sincere hope that the reader will immediately identify with the material in these stories and subsequently find spiritual support and direction to get back on the spiritual wellness trail

the footsteps of His son Jesus Christ who shed His blood and died for us in the cross God did not just create us for nothing but had adopted us His children as the Bible says The Spirit himself testifies with our spirit that we are God s children Now if we are children then we are heirs heirs of God and co heirs with Christ if indeed we share His sufferings in order that we may also share His glory Romans 8 16 17 The Bible further says He who overcomes will inherit all this and I will be his God and he will be my son Revelation 21 7 and He said I tell you the truth unless you change and become like little children you will never enter the kingdom of heaven Therefore whoever humbles himself like this child is the greatest in the kingdom of heaven And whoever welcomes a little child like this in my name welcomes me Matthew 18 3 5
