Curating Under Pressure Janet Marstine, Svetlana Mintcheva, 2020-07-14 Curating Under Pressure breaks the silence surrounding curatorial self censorship and shows that it is both endemic to the practice and ubiquitous Contributors map the diverse forms such self censorship takes and offer creative strategies for negotiating curatorial integrity This is the first book to look at pressures to self censor and the curatorial responses to these

pressures from a wide range of international perspectives The book offers examples of the many creative strategies that curators deploy to negotiate pressures to self censor and gives evidence of curators political acumen ethical sagacity and resilience over the long term It also challenges the assumption that self censorship is something to be avoided at all costs and suggests that a decision to self censor may sometimes be politically and ethically imperative *Curating Under Pressure* serves as a corrective to the assumption that censorship pressures render practitioners impotent It demonstrates that curatorial practice under pressure offers inspiring models of agency ingenuity and empowerment *Curating Under Pressure* is a highly original and intellectually ambitious volume and as such will be of great interest to students and academics in the areas of museum studies curatorial and gallery studies art history studio art and arts administration The book will also be an essential tool for museum practitioners

I'm Buffy and You're History Patricia Pender, 2016-06-28 *Buffy the Vampire Slayer* gave contemporary TV viewers an exhilarating alternative to the tired cultural trope of a hapless attractive blonde woman victimized by a murderous male villain With its strong capable heroine witty dialogue and a creator Joss Whedon who identifies himself as a feminist the cult show became one of the most widely analysed texts in contemporary popular culture The last episode broadcast in 2002 did not herald the passing of a fleeting phenomenon *Buffy* is a media presence still active on DVD and the internet alive in the career of Joss Whedon and studied internationally *I'm Buffy and You're History* puts the entire series under the microscope investigating its gender and feminist politics In this book Patricia Pender argues that *Buffy* includes diverse elements of feminism and reconfigures and sometimes revises the ideals of American second wave feminism for a wide third wave audience She also explores the ways in which the final season's vision of collective feminist activism negotiates racial and class boundaries Exploring the *Slayer's* postmodern politics her position as a third wave feminist icon her placing of masculinity in extremis and her fandom and legacy in popular culture this is a fresh and challenging contribution to the growing literature on the pitfalls and pleasures of a great cult TV show

A History of Forensic Science Alison Adam, 2015-11-19 How and when did forensic science originate in the UK This question demands our attention because our understanding of present day forensic science is vastly enriched through gaining an appreciation of what went before *A History of Forensic Science* is the first book to consider the wide spectrum of influences which went into creating the discipline in Britain in the first part of the twentieth century This book offers a history of the development of

forensic sciences centred on the UK but with consideration of continental and colonial influences from around 1880 to approximately 1940 This period was central to the formation of a separate discipline of forensic science with a distinct professional identity and this book charts the strategies of the new forensic scientists to gain an authoritative voice in the courtroom and to forge a professional identity in the space between forensic medicine scientific policing and independent expert witnessing In so doing it improves our understanding of how forensic science developed as it did This book is essential reading for academics and students engaged in the study of criminology the history of forensic science science and technology studies and the history of policing

Statebuilding and State Formation in the Western Pacific Matthew Allen, Sinclair Dinnen, 2018-04-19 This book provides a rigorous and cross disciplinary analysis of this Melanesian nation at a critical juncture in its post colonial and post conflict history with contributions from leading scholars of Solomon Islands The notion of transition as used to describe the recent drawdown of the decade long Regional Assistance Mission to Solomon Islands RAMSI provides a departure point for considering other transformations social political and economic under way in the archipelagic nation Organised around a central tension between change and continuity two of the book's key themes are the contested narratives of changing state society relations and the changing social relations around land and natural resources engendered by ongoing processes of globalisation and urbanisation Drawing heuristically on RAMSI's genesis in the state building moment that dominated international relations during the first decade of this century the book also examines the critical distinction between state building and state formation in the Solomon Islands context It engages with global scholarly and policy debates on issues such as peacebuilding state building legal pluralism hybrid governance globalisation urbanisation and the governance of natural resources These themes resonate well beyond Solomon Islands and Melanesia and the book will be of interest to a wide range of students scholars and development practitioners This book was previously published as a special issue of The Journal of Pacific History

Centers of Power in the Arab Gulf States Kristian Coates Ulrichsen, 2023-12-07 How are authority and influence accumulated and wielded across the six Gulf states Mixing theoretical and empirical insights and utilising both historical and contemporary examples this book offers a comparative analysis of military political economic and religious power in Bahrain Kuwait Oman Qatar Saudi Arabia and the UAE as well as of the power of narrative While many volumes examine each of these states individually *Centers of Power in the Arab Gulf States* assesses the Arabian Peninsula as a whole filling a significant gap in the literature It surveys the myriad factors which have influenced the emergence of these states societies and political economies which have become increasingly assertive actors in today's global order Exploring domestic regional and transnational pressures Kristian Coates Ulrichsen sheds light on the varying concepts of power and authority the different forms they take the ways they are projected and the practical constraints on their exercise From whom does power derive Is it something different from influence and ambition Is decision making top down or bottom up or a mixture of both From bureaucrats to scholars and

from royals to opposition figures Coates Ulrichsen uncovers the power relations shaping the Gulf today *Eco-Homes* Doctor Jenny Pickerill, 2016-01-15 It is widely understood that good affordable eco housing needs to be at the heart of any attempt to mitigate or adapt to climate change This is the first book to comprehensively explore eco housing from a geographical social and political perspective It starts from the premise that we already know how to build good eco houses and we already have the technology to retrofit existing housing Despite this relatively few eco houses are being built Featuring over thirty case studies of eco housing in Britain Spain Thailand Argentina and the United States Eco Homes examines the ways in which radical changes to our houses such as making them more temporary using natural materials or relying on manual heating and ventilation systems require changes in how we live As such it argues it is not lack of technology or political will that is holding us back from responding to climate change but deep rooted cultural and social understandings of our way of life and what we expect our houses to do for us The Ashgate Research Companion to the Korean War Donald W. Boose, 2016-03-23 This essential companion provides a comprehensive study of the literature on the causes course and consequences of the Korean War 1950 1953 Aimed primarily at readers with a special interest in military history and contemporary conflict studies the authors summarize and analyze the key research issues in what for years was known as the Forgotten War The book comprises three main thematic parts each with chapters ranging across a variety of crucial topics covering the background conduct clashes and outcome of the Korean War The first part sets the historical stage with chapters focusing on the main participants The second part provides details on the tactics equipment and logistics of the belligerents Part III covers the course of the war with each chapter addressing a key stage of the fighting in chronological order The enormous increase in writings on the Korean War during the last thirty years following the release of key primary source documents has revived and energized the interest of scholars This essential reference work not only provides an overview of recent research but also assesses what impact this has had on understanding the war *India and the Early Modern World* Jagjeet Lally, 2023-12-20 India and the Early Modern World provides an authoritative and wide ranging survey of the Indian subcontinent over the fifteenth to eighteenth centuries set within a global context This book explores questions critical to our understanding of early modern India How for instance were Indians religious beliefs their ways of life and the horizons of their learning changing over this period What was happening in the countryside and towns to culture and the arts and to the state and its power Were such experiences comparable or linked to those in other parts of the world Can we speak of a global early modernity therefore within which India played an important role Organised thematically each chapter engages with such key issues debates and concepts covering wide ground as it connects compares and contrasts developments witnessed across early modern South Asia to those around the globe Drawing on the fruits of research in numerous fields over the past fifty years and rich in detail India and the Early Modern World is a pathbreaking volume written engagingly and accessibly with scholars students and non specialists in mind House X at Kommos Jeremy

B. Rutter, 2017-12-31 House X is by far the largest and best appointed of the Minoan houses excavated at Kommos in south central Crete a Minoan harbor and settlement that later became the site of a Greek sanctuary Situated on the seacoast of the western Mesara Plain Kommos faces west toward the Libyan Sea House X stands on the southern edge of the Minoan town separated by a large slab paved road from the monumental civic buildings built and used between the Protopalatial and Postpalatial periods The description of the stratigraphic excavation of this elite house is published with numerous architectural plans along with the cataloged small finds and tables of data on the floral and faunal materials The excavated fresco fragments are also discussed and illustrated This volume presents the Late Bronze Age pottery from in and around House X a large Minoan house at Kommos situated not far from the sea in South Central Crete This volume is richly illustrated with drawings photos and tables of data Rutter's contribution complements the publication of the architecture stratigraphy and small finds in Part 1 Shaw and Shaw eds 2012 Together this pair of volumes offers a conclusion to a series of monographs volumes I V previously published about the site Shaw and Shaw eds 1995 2006 The Kommos series is now completed by the two volume publication on House X **Routledge Handbook of Modern Japanese History** Sven Saaler, Christopher W. A. Szpilman, 2017-10-16 The Routledge Handbook of Modern Japanese History is a concise overview of modern Japanese history from the middle of the nineteenth century until the end of the twentieth century Written by a group of international historians each an authority in his or her field the book covers modern Japanese history in an accessible yet comprehensive manner The subjects featured in the book range from the development of the political system and matters of international relations to social and economic history and gender issues to post war discussions about modern Japan's historical trajectory and its wartime past Divided into thematic parts the sections include Nation empire and borders Ideologies and the political system Economy and society Historical legacies and memory Each chapter outlines important historiographical debates and controversies summarizes the latest developments in the field and identifies research topics that have not yet received sufficient scholarly attention As such the book will be useful to students and scholars of Japanese history Asian history and Asian Studies **TV Socialism** Anikó Imre, 2016-05-19 In TV Socialism Anik Imre provides an innovative history of television in socialist Europe during and after the Cold War Rather than uniform propaganda programming Imre finds rich evidence of hybrid aesthetic and economic practices including frequent exchanges within the region and with Western media a steady production of varied genre entertainment elements of European public service broadcasting and transcultural multi lingual reception practices These televisual practices challenge conventional understandings of culture under socialism divisions between East and West and the divide between socialism and postsocialism Taking a broad regional perspective encompassing Eastern Europe and the Soviet Union Imre foregrounds continuities between socialist television and the region's shared imperial histories including the programming trends distribution patterns and reception practices that extended into postsocialism Television she argues is key to understanding

European socialist cultures and to making sense of developments after the end of the Cold War and the enduring global legacy of socialism

The British left and the defence economy Keith Mc Loughlin, 2022-03-29 Forty years before COVID 19 socialists in Britain campaigned for workers to have the right to make socially useful products from hospital equipment to sustain the NHS to affordable heating systems for the impoverished elderly This movement held one thing responsible above all else for the nation's problems the burden of defence spending In the middle of the Cold War the left put a direct challenge to the defence industry the Labour government and trade unions The response it received revealed much about a military industrial state that prioritised the making and exporting of arms for political favour and profit Looking at peace activism from the early 1970s to Labour's landslide defeat in the 1983 general election this book examines the conflict over the cost of Britain's commitment to the Cold War and asserts that the wider left presented a comprehensive and implementable alternative to the stark choice between making weapons and joining the dole queue

History of

Education Policymaking in India, 1947-2016 R. V. Vaidyanatha Ayyar, 2017-09-12 This book comprehensively chronicles the history of the education policymaking in India from 1947 to 2016 with a focus on the developments after 1964 when the Kothari Commission was constituted The book is informed by the rare insights acquired by the author while making policy at the state national and international levels of governance Another distinguishing feature of this book lies in the attention it pays to the process and politics of policymaking and the larger setting or to use jargon the political and policy environment in which policies were made at different points of time The author brings out a crucial analysis of the Indian educational system against the backdrop of national and global political economic and educational developments Two other distinguishing features of the book are the systematic treatment of the regulation of education and the role of judiciary in the making and implementation of education policies

That Option No Longer Exists John Medhurst, 2014-08-29 It is time to look afresh

at the 1970s It was not a grey decade of decline defeat and power blackouts Bursting with cultural experimentation sexual liberation and industrial militancy the 1970s saw the ruling elites of Britain challenged at every level most especially by a Labour left led by Tony Benn which aimed to effect a fundamental and irreversible shift in the balance of wealth and power in favour of working people That Option No Longer Exists reveals a hidden history how Benn and the left tried to reform British industry to introduce democracy in the workplace and overturn the power of Finance and how Whitehall the security services and the City fought back paving the way for Thatcher to re-establish the rule of money and the markets Britain almost took a different path in 1974-76 to that of massive wealth inequality the dominance of the City and the slow death of the welfare state This is the story of a struggle within government almost forgotten and of a tragic turning point in British history

History, Memory and Public Life Anna Maerker, Simon Sleight, Adam Sutcliffe, 2018-07-06 History Memory and Public Life introduces readers to key themes in the study of historical memory and its significance by considering the role of historical expertise and understanding in contemporary public reflection on the past Divided into two parts the book addresses both

the theoretical and applied aspects of historical memory studies Approaches to history and memory introduces key methodological and theoretical issues within the field such as postcolonialism sites of memory myths of national origins and questions raised by memorialisation and museum presentation Difficult pasts looks at history and memory in practice through a range of case studies on contested complex or traumatic memories including the Northern Ireland Troubles post apartheid South Africa and the Holocaust Examining the intersection between history and memory from a wide range of perspectives and supported by guidance on further reading and online resources this book is ideal for students of history as well as those working within the broad interdisciplinary field of memory studies

China's Digital Nationalism Florian Schneider, 2018-08-16 Nationalism in China as much as elsewhere is today adopted filtered transformed enhanced and accelerated through digital networks And as we have increasingly seen nationalism in digital spheres interacts in complicated ways with nationalism on the ground If we are to understand the social and political complexities of the twenty first century we need to ask what happens to nationalism when it goes digital In China's Digital Nationalism Florian Schneider explores the issue by looking at digital China first hand exploring what search engines online encyclopedias websites hyperlink networks and social media can tell us about the way that different actors construct and manage a crucial topic in contemporary Chinese politics the protracted historical relationship with neighbouring Japan Using two cases the infamous Nanjing Massacre of 1937 and the ongoing disputes over islands in the East China Sea Schneider shows how various stakeholders in China construct networks and deploy power to shape nationalism for their own ends These dynamics provide crucial lessons on how nation states adapt to the shifting terrain of the digital age and highlight how digital nationalism is today an emergent property of complex communication networks
