For your reference page:

- Every source you have an in-text citation for should also be listed on the reference page.
- If there is more than one author, do not change the order in which the authors' names are listed in the source.
- Put the references in alphabetical order using the last name of the first author listed or by the organization name if the organization is the author.
- Use a hanging indent so that author's name is further left than the rest of the citation.
-  In MS Word click the line and spacing icon then choose hanging indent

For your whole document: from the Line and Paragraph spacing icon

- Set the alignment to "Left" not justified.
- Select double spacing
- Set the spacing Before and After a paragraph to 0 pt.
