Strong, 2009-11-05 Human Sexuality Diversity in Contemporary America presents a forward thinking open approach to
Human Sexuality for today's student The new lead authors Bill Yarber and Barbara Sayad continue to bring their research
experience to the book while maintaining the engaging writing style that original author Bryan Strong brought to this best
selling text for years The first text to achieve a full integration of cutting edge research with a contemporary sex positive
approach it also strives to represent the modern diverse world that students encounter outside the classroom Both within the
text itself and throughout the exemplary art and photo program the focus is on inclusion Human Sexuality has been lauded
by students and instructors alike for providing the most integrated and non judgmental view of sexual orientation available
The seventh edition maintains these themes while adding a new contemporary design streamlined format and significant
content and feature revisions and updates
