Ics Bridge Resource Manual Checklists:

The ISM Code: A Practical Guide to the Legal and Insurance Implications Phil Anderson, 2015-06-16 The ISM Code has been mandatory for almost every commercial vessel in the world for more than a decade and nearly two decades for high risk vessels yet there is very little case law in this area Consequently there remains a great deal of confusion about the potential legal and insurance implications of the Code This third edition represents a major re write and addresses significant amendments that were made to the ISM Code on 1st July 2010 and 1st January 2015 This book provides practitioners with a practical overview of and much needed guidance on the potential implications of failing to implement the requirements of the Code It will be hugely valuable to DPAs managers of ship operating companies ship masters maritime lawyers and insurance claims staff

Report of the Cruise Ship Safety Review Task Force ,1995 Maritime Work Law Fundamentals: Responsible Shipowners, Reliable Seafarers Iliana Christodoulou-Varotsi, Dmitry A. Pentsov, 2007-10-31 The importance of international maritime labour law both as a component of international maritime law and in socio political and economic terms has been recognised by the IMO International Maritime Law Institute for a number of years Indeed the Institute has annually organised a course on maritime labour law with the participation of inter alia the International Maritime Organization the International Labour Organization the International Transport Workers Federation and the German Shipowners Association It was therefore a great pleasure when the authors invited me to introduce their forthcoming monograph on Maritime Work Law Fundamentals Responsible Shipowners Reliable Seafarers As the title suggests a fundamental challenge of this branch of international maritime law is to achieve a balance between the interests of the two main stakeholders Institutionally the effort to achieve this balance dates back a number of decades with its genesis mainly found in the work of the International Labour Organization It has to be said that whilst this effort achieved great progress it has led to a haphazard plethora of legal instruments
