Barres,2022-09-30 There s a Buddhist saying When the student is ready the teacher will appear That teacher is Pamela Des Barres known to her students and to the world over as Miss Pamela Miss Pamela has created a safe space for hundreds of women across the country and throughout the world to share their lives and express their most secret thoughts through writing Their ages range from 20 to 75 and in her writing workshops the 20 year olds can come across like wise old sages and the 70 year olds can appear like teenagers discovering their voices for the first time The magic of getting women together to share their stories has wrought this collection of powerful moving writing The pieces are funny angry joyful sad full of hope tragedy and transformation each a revelation in its own right You will marvel at the skill with which these women have told their tales based on the prompts Miss Pamela gives them all written extemporaneously in 12 minutes You may also discover yourself in these glimpses into the lives of your fellow humans **Baconiana** ,1909 **A Mountain of Secrets**

Lloyd Sparks,2007-01-29 With the collapse of the government after the Second World War Americans have learned to live without help or interference from police lawyers and bureaucrats In this simple and happy world lives an eleven year old boy who wants to be a scientist Having found a plant that makes concentrated uranium he and his friends build a spaceship out of the strongest substances known to man spider webs and egg shells They fly into outer space but barely make it back alive Forced to crash land on Mount Saint Helens on Halloween they encounter the frightening and magical inhabitants of a secret world The young scientist discovers that the secrets that lie within his own mind can be more astounding than a trip into outer space They eventually make it home only to be grounded for going into outer space without asking permission In the end they learn that there is still much to discover in their own back yard **Sunny Side Up** Mike Blackwood,2022-05-04 You may come to the same conclusion another reader came to when I was in the early process of simply sending my stories out to gauge the interest of a potential book She said You have led a charmed life My first reaction was Are you nuts The fact is although I grew up differently than almost all of you I haven t had a charmed life believe me That sounds like in some way I have been lucky that I haven t experienced hardships pain or defeat Nothing could be further from the truth But I will tell you what is true I have had a blessed life Through it all the Lord has kept me above my trials and tribulations even when I

didn't believe He was there Through disappointment death disease He was there I truly believe that we all have choices to make in life You can allow disappointments and discouragement in life to make you bitter or you can use them to make you better That's why I titled this book Sunny Side Up It's how you view your circumstances and how you use them that make us who we are To me it's always been that simple and before you ask no I am not a Southern version of Tony Robbins I am just telling you the way I see it So with that being said I hope you will find some of these short stories humorous I hope a few of them will give you pause to appreciate your blessings and one or two that will tug at your heartstrings to encourage you to be a better friend and neighbor I know that some of these stories if not all will seem far fetched or unbelievable to many of you but like I said I grew up differently than most of you and my experiences in this life to say it bluntly are unbelievable in themselves But this book really isn't about me at all I am just a storyteller I love telling stories about characters with character and there are plenty of both in the stories before you And before I forget on behalf of my German shepherd Sadie and my black Lab Doc and myself thank you for buying this book We greatly appreciate it

*Son of a Gun, Daddy Must Die* Charlie (Chawtoma) Davis, 2014-05-14 The writer brings alive the story of an inner circle of friends who are sworn to protect an American girl of Mexican and Italian descent after losing her mother at the age of twelve years old It is a story of how rape sucks the life out of its victims a heart thumping drama of how the suspects are held to an innocent plea over a period of twenty five years until DNA evidence proves otherwise It is a story of how the grandfather's sanity is pushed to its limit but the bonds of friendship w
