detailed persuasive new readings of various works of each of her chosen authors she shows how the straightjacket of conventional femininity is challenged confronted and finally thrown off This volume demonstrates that comedy can effectively channel anger and rebellion by first making them appear to be acceptable and temporary phenomena and then by harnessing the released energies rather than dispersing them This kind of comedy which is at the heart of Untamed and Unabashed terrifies those who hold order dear It should Comparative Criticism: Volume 2, Text and Reader E.
