## **Ifrs Guide 2012:**

**Managing the Transition to IFRS-Based Financial Reporting** Lisa Weaver, 2014-05-16 The one stop guide to transitioning to IFRS financial reporting The International Financial Reporting Standards IFRS have already been adopted in Europe and plans are in place to transition to IFRS reporting in the UK India Japan and other major economies The US is deliberating the nature of its convergence with IFRS and US entities will need to understand the implications of transition This means all finance managers and financial controllers will be responsible not only for understanding IFRS but for making the transition and dealing with implications Managing the Transition to IFRS Based Financial Reporting is a one stop resource for navigating this major change Case studies and project management advice help move smoothly from GAAP to IFRS principles and requirements Managing the Transition to IFRS Based Financial Reporting is the only book on the market that focuses on both the accounting and non accounting implications of IFRS transition This complete approach will guide you from the history and conceptual basis of IFRS through each stage of the transition process ensuring expert change management and fluid communication from start to finish Takes a holistic approach covering non accounting implications like educating and communicating IFRS requirements Provides case studies to illustrate best practices for moving to the new international standards Provides a framework for planning and executing the entire IFRS transition project With nearly two decades of financial training experience author Lisa Weaver is imminently qualified to deliver clear concise and understandable content In addition the reference material and other resources in Managing the Transition to IFRS Based Financial Reporting will help you simplify the transition and take advantage of all the benefits IFRS reporting confers

*Proceedings in Finance and Risk Perspectives '12* , International GAAP 2013 Ernst & Young LLP, 2013-06-21 International GAAP 2013 goes much further than explanation It provides a comprehensive guide to interpreting and implementing IFRS sets IFRS in a relevant business context and provides insights into how complex practical issues should be resolved in the real world of global financial reporting This book is an essential tool for anyone applying auditing interpreting regulating studying or teaching international financial reporting Written by financial reporting professionals from the International Financial Reporting Group of Ernst Young this three volume guide to reporting under IFRS provides a global perspective on the real world interpretation and practical application of IFRS Complex technical accounting issues are explained clearly and IFRS is set in a practical context with numerous worked examples and hundreds of illustrations from the published financial reports of major listed companies from around the world The 2013 edition of International GAAP has been fully revised and updated in order to Address all new revised and amended authoritative pronouncements and interpretations including for many entities the mandatory adoption in 2013 of IFRS 10 Consolidated Financial Statements IFRS 11 Joint Arrangements IFRS 12 Disclosure of Interests in Other Entities IFRS 13 Fair Value Measurement and IAS 19 Revised Employee Benefits Explain the many initiatives and discussions that are currently being pursued by the IASB and by

the IFRS Interpretations Committee and the potential consequential changes to accounting requirements. In particular projects on Financial Instruments, Revenue Recognition, Leases and Insurance Contracts may all significantly change current accounting practice. Provide insight and guidance from a truly global perspective on the many issues relating to the interpretation and practical application of IFRS based on the extensive experience of the book's authors in dealing with recent day to day practical issues. [www.igaap.info](http://www.igaap.info) EBOOK: Financial Accounting and Reporting: An International Approach Anne Marie Ward, Craig Deegan, 2013-03-16. Financial Accounting and Reporting: An International Approach is an adaptation of McGraw Hill Australia's bestselling financial accounting text Australian Financial Accounting by Craig Deegan authored by Anne Marie Ward of Ulster University. Set within an international context with a solid grounding in IAS/IFRS, the book provides students with a detailed grasp of reporting requirements in an accessible and engaging manner. Up to date throughout and complete in theoretical and practical coverage, the book successfully communicates the detail necessary to understand, challenge and critically evaluate financial reporting. The result gives students a strong foundation for current study and their future professional lives. **IFRS Manual of Accounting 2009**, 2008 International Financial Reporting Standards. IFRSs are being increasingly used by companies throughout the world. All entities listed in the EU have been required to issue financial statements under IFRS since 2005 and more and more other countries are making the change to IFRS including the US and Canada. The Manual is packed full of clear practical guidance on how to prepare financial statements in accordance with IFRS. It includes hundreds of practical worked examples and extracts from company reports as well as model IFRS financial statements that help to illustrate the explanations and show exactly how even the most complex calculations and disclosures should be made. Cover International GAAP 2015 Ernst & Young LLP, 2015-02-11. IFRSs the standards set by the International Accounting Standards Board (IASB) are complex and sometimes obscure. Understanding their implications and applying them appropriately requires something special and that is why International GAAP 2015 is the essential tool for anyone applying, auditing, interpreting, regulating, studying and teaching international financial reporting. It provides expert interpretation and practical guidance for busy professionals and includes in every chapter detailed analysis of how complex financial reporting problems can be resolved appropriately and effectively. The International Financial Reporting Group of Ernst & Young includes financial reporting specialists from throughout the world. Complex technical accounting issues are explained clearly in a practical working context that enables immediate understanding of the point at issue. International GAAP 2015 is the only globally focused work on IFRSs. It is not constrained by any individual country's legislation or financial reporting regulations and it ensures an international consistency of approach unavailable elsewhere. It shows how difficult practical issues should be approached in the complex global world of international financial reporting where IFRSs have become the accepted financial reporting system in more than 100 countries. This integrated approach provides a unique level of authoritative material for anyone involved in preparing, interpreting or auditing company accounts.

for regulators academic researchers and for all students of accountancy All aspects of the detailed requirements of IFRS are dealt with on a topic by topic basis Each chapter of International GAAP 2015 deals with a key area of IFRS and has a common structure for ease of use An introduction to the background issues An explanation of relevant principles A clear exposition of the requirements of IFRS A discussion of the implications in practice and possible alternative solutions available Worked examples Extracts from real company accounts A full listing of the required disclosures
