Informed Intercession George Otis:

Informed Intercession George Otis, 1999 Prayer and fasting are changing the lives of Christians everywhere Have these books ready for your search for insight and inspiration about these new movements in the Church **DISCOVERING YOUR PRAYER DNA** Darryl Husband, 2013-06-21 My house shall be called a house of prayer for all nations Mark 11 17b is a call to intercession What If The House Of God Really Did Become The House Of Prayer Why not find out what every one of us is passionate about and train up an army of intercessors Special Forces teams of soldiers focused on specific assignments You are Special Forces You are getting ready for intensive training This book is your basic training guide to help you understand your place *City Reaching*: Jack Dennison, 2000-02-15 This book assists Christians in fulfilling the Great Commission by presenting a plan that will enable them to share the gospel in the cities of America and the world Dennison s strategy for city reaching is both spiritual and practical in leading the Church to a higher level of missionary service **Understanding Spiritual Warfare** James K. Beilby, Paul Rhodes Eddy, 2012-12-01 The topic of spiritual warfare is an issue of ongoing interest in a number of sectors of the contemporary church This four view work brings together leading theologians and ministry leaders to present major views on spiritual warfare in dialogical fashion all authors present their views and then respond to each of the other views Contributors include Walter Wink with Gareth Higgins and Michael Hardin David Powlison Gregory Boyd C Peter Wagner and Rebecca Greenwood This volume provides a balanced irenic approach to a much discussed and often controversial topic Offering a model of critical thinking and respectful dialogue it highlights the differences between contributors discusses a full range of important topics on the subject and deploys biblical as well as theological arguments **Intercessory Worship** Dick Eastman, 2012-04-16 A glorious spiritual awakening is on the horizon sparked by the combustible mix of worship and prayer Dick Eastman calls this combination intercessory worship and in this one of a kind guidebook he explains how worship saturated prayer rises like a fragrance before God s throne to declare His glory and reign over all circumstances relationships and governments He shows readers how to engage in life transforming intercessory worship He also reveals why intercessory worship is the greatest last days prayer movement in history and invites believers to join the worldwide Body of Christ in fanning the flames of revival through biblical worship and scriptural prayer The world will be transformed as the presence and power of the Spirit pour forth from the heart of God **Warfare Prayer** C. Peter Wagner, 2009-10-28 Warfare Prayer provides a toolbox and an operator s manual for those who take seriously the Apostle Paul s statement that we wrestle not against flesh and blood but against principalities and powers The demonic world around us is a reality but all too few believers understand that realm of darkness to say nothing of having the skills to use effectively the weapons of warfare that God has given us Based on a combination of sound biblical theology and real life experiences this book is a user friendly guide for those committed enough to join the army of God **The Power of the Upper Room** Jerry L. Bowers, 2004-03 Join this young woman as she takes you through a wild ride About heartaches pain and

happiness In her fiction about survival and chronic pain Go through the steps with her as she takes you through good and bad relationships American Possessions Sean McCloud,2015-04-21 Stories of contemporary exorcisms are largely met with ridicule or even hostility Sean McCloud argues however that there are important themes to consider within these narratives of seemingly well adjusted people who attend school go shopping watch movies and also happen to fight demons American Possessions examines Third Wave spiritual warfare a late twentieth early twenty first century movement of evangelicals focused on banishing demons from human bodies material objects land regions political parties and nation states While Third Wave beliefs may seem far removed from what many scholars view as mainstream religious practice McCloud argues that the movement provides an ideal case study for identifying some of the most prominent tropes within the contemporary American religious landscape Drawing on interviews television shows documentaries websites and dozens of spiritual warfare handbooks McCloud examines Third Wave practices such deliverance rituals a uniquely Protestant form of exorcism spiritual housekeeping the removal of demons from everyday objects and spiritual mapping searching for the demonic in the physical landscape Demons he shows are the central fact of life in the Third Wave imagination McCloud provides the first book length study of this influential movement highlighting the important ways that it reflects and diverts from the larger neo liberal culture from which it originates Congregation-to-Congregation Relationship Samuel Broomfield Reeves,2004-02-23 This book assembles a knowledge base of the cross cultural congregation to congregation relationship of two local churches Madison square Christian Reformed Church in Grand Rapids Michigan and the Providence Baptist Church in Monrovia Liberia **Facing West** David R. Swartz,2020 In 1974 nearly 3 000 evangelicals from 150 nations met at the Lausanne Congress on World Evangelization Amidst this cosmopolitan setting and in front of the most important white evangelical leaders of the United States members of the Latin American Theological Fraternity spoke out against the American Church Fiery speeches by Ecuadorian Ren Padilla and Peruvian Samuel Escobar revealed a global weariness with what they described as an American style of coldly efficient mission wedded to myopic right leaning politics Their bold critiques electrified Christians from around the world The dramatic growth of Christianity around the world in the last century has shifted the balance of power within the faith away from the traditional strongholds of Europe and the United States to the Global South To be sure Western missionaries have carried religion abroad but the line of influence has often run the other way David R Swartz demonstrates that evangelicals in the Global South spoke frankly to American evangelicals on matters of race imperialism theology sexuality and social justice From the left they have pushed for racial egalitarianism ecumenism and more substantial development efforts From the right they have advocated for a conservative sexual ethic They forced American Christians to think more critically about their own assumptions The United States is just one node of a sprawling global network that includes Korea India Switzerland the Philippines Guatemala Uganda and Thailand Telling stories of the diverse array of evangelicals around the world Swartz shows that evangelical networks don t only extend

outward but back home from the ends of the earth
