

To the Purchaser

This new cutting platform was carefully designed and manufactured to give years of dependable service. To keep it running efficiently, read the instructions in this operator's manual. Each section is clearly identified so you can easily find the information you need—whether it is operation, lubrication, or service. Read the Table of Contents to learn where each section is located. Use the alphabetical index for fast reference.

This manual includes information for 213, 215, 216, 218, 220, flex and rigid cutting platforms and 222, 224 rigid platforms.

 This safety alert symbol identifies important safety messages in this manual. When you see this symbol, be alert to the possibility of personal injury and carefully read the message that follows.

Your operator's manual contains SI Metric equivalents which follow immediately after the U.S. customary units of measure.

In addition to the equipment furnished with your platform, attachments are available to help you do a better job in special crop conditions. These are described in the attachments section of this manual, and can be purchased from your John Deere dealer.

"Right-hand" and "left-hand" sides are determined by facing in the direction the cutting platform will travel when in use.

Record your platform serial number in the space provided on page 61. Your dealer needs this information to give you prompt, efficient service when you order parts or attachments. If your platform requires replacement parts, go to your John Deere dealer where you can obtain Genuine John Deere parts—accept no substitutes.

The warranty on this cutting platform appears on your copy of the purchase order which you should have received from your dealer when you purchased the platform.
