## What does one deserve?

After reading the first three acts of *Julius Caesar*, you should have made up your mind as to whether Caesar deserved to die or not. The question of what he deserved can be argued either way. One can easily say that Brutus was right in preventing Caesar from destroying the republican government that Rome had for 500 years and that he was just doing what was best for the people. You could also argue that killing a person is never the right thing to do and that another solution should have been found. Or you could use other reasons for either side.

Whichever you choose, you are to write an essay of between 500-750 words in which you take a side on the issue of whether or not Julius Caesar deserved to die. Was his death best for Rome? Was Brutus right in doing this or should something else have been done?

### Do's and Don'ts:

- Make sure you have an attention grabbing opening sentence.
- Clearly state your position in the introductory paragraph.
- Make sure to use examples from the play or from your history class to back-up your argument. The more examples you have to support your ideas, the better your essay will be.
- Do not use words like "I feel" or "I believe." Do not use the word "I" at all in your essay.
- The essay will be five paragraphs long.
- Wrap-up the essay with a strong conclusion.
- Have someone proofread the essay for you before you turn it in to catch incorrectly spelled words and poorly written sentences. Turn in the best essay you can write. These essays may be shown to the class using a projector.

*Shakespeare's Symmetries* James E. Ryan, 2016-04-27 The organization of Shakespeare s plays has challenged even baffled audiences and critics since the 17th century Cymbeline has been dismissed as incoherent Hamlet is of no clear shape And Antony and Cleopatra bewilders the mind These judgments result from an incomplete understanding of Shakespeare s constructive practice It is not the narrative arc alone that organizes the plays but a complex structure of interwoven narrative and thematic actions While the narrative varies from play to play thematic actions are invariably created in mirroring pairs around the central scene A B C B A This symmetrical pattern which can be visualized as an arch with a focal keystone is the foundation of all of Shakespeare s mature work as shown through an analysis of the 26 plays in this book This arch illuminates the structure of plays that have long been puzzling demonstrating that they are thematically organized and rigorously crafted It also reveals subtleties otherwise invisible
