As you are completing tests, look at your **Analysis** page to see how you performed on each test. Aim for scores of 65% or higher. (Institutional students: your school may require higher scores.)

Complete the **Test Reflection Worksheet** to identify your strengths and weaknesses. Ask yourself the following and think about how you are thinking:

1. Did I change any answers? Which way: correct to incorrect, or incorrect to correct?
2. Did I take enough time on each question, or did I take too much time on each question?
3. Did I lose concentration, and if so, is there a pattern? Should I have taken a break?

Review/remediate all questions. Ask yourself the following:

1. Did I not know the content of any of the questions?
2. For each question I got wrong, why did the author of the question choose one answer and why did I choose another?

Use the **Essential Nursing Content Videos** and your **NCLEX-RN® Content Review Guide e-book** to fill in any knowledge gaps, working from your content area of greatest weakness toward your area of greatest strength.
